North Garland High
Garland, Texas
Vol. II

Only two years have come and gone since North Garland High School opened its doors; but, we have already begun to establish our own, personal characteristics. People no longer say, "North Garland? Who are they?" We have made our presence known to everyone and we're not going to let them forget us —

But we're not through yet. We've got a lot to be proud of; however, we still have a great deal of growing to do. To make this a really first-rate school we all have to work together. The building blocks of any society are the *individuals* that comprise it; but, if these blocks do not adhere to one another, the foundation will crumble, as will the society.

Through the pages of this book we hope to give a true picture of the individuals of our society, NGHS, and the school they have, and are, building.

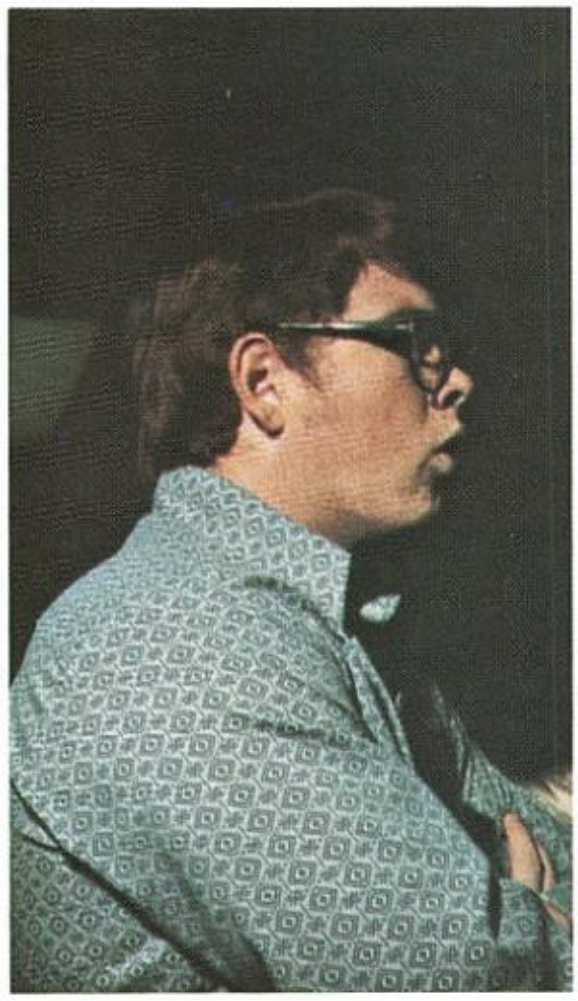
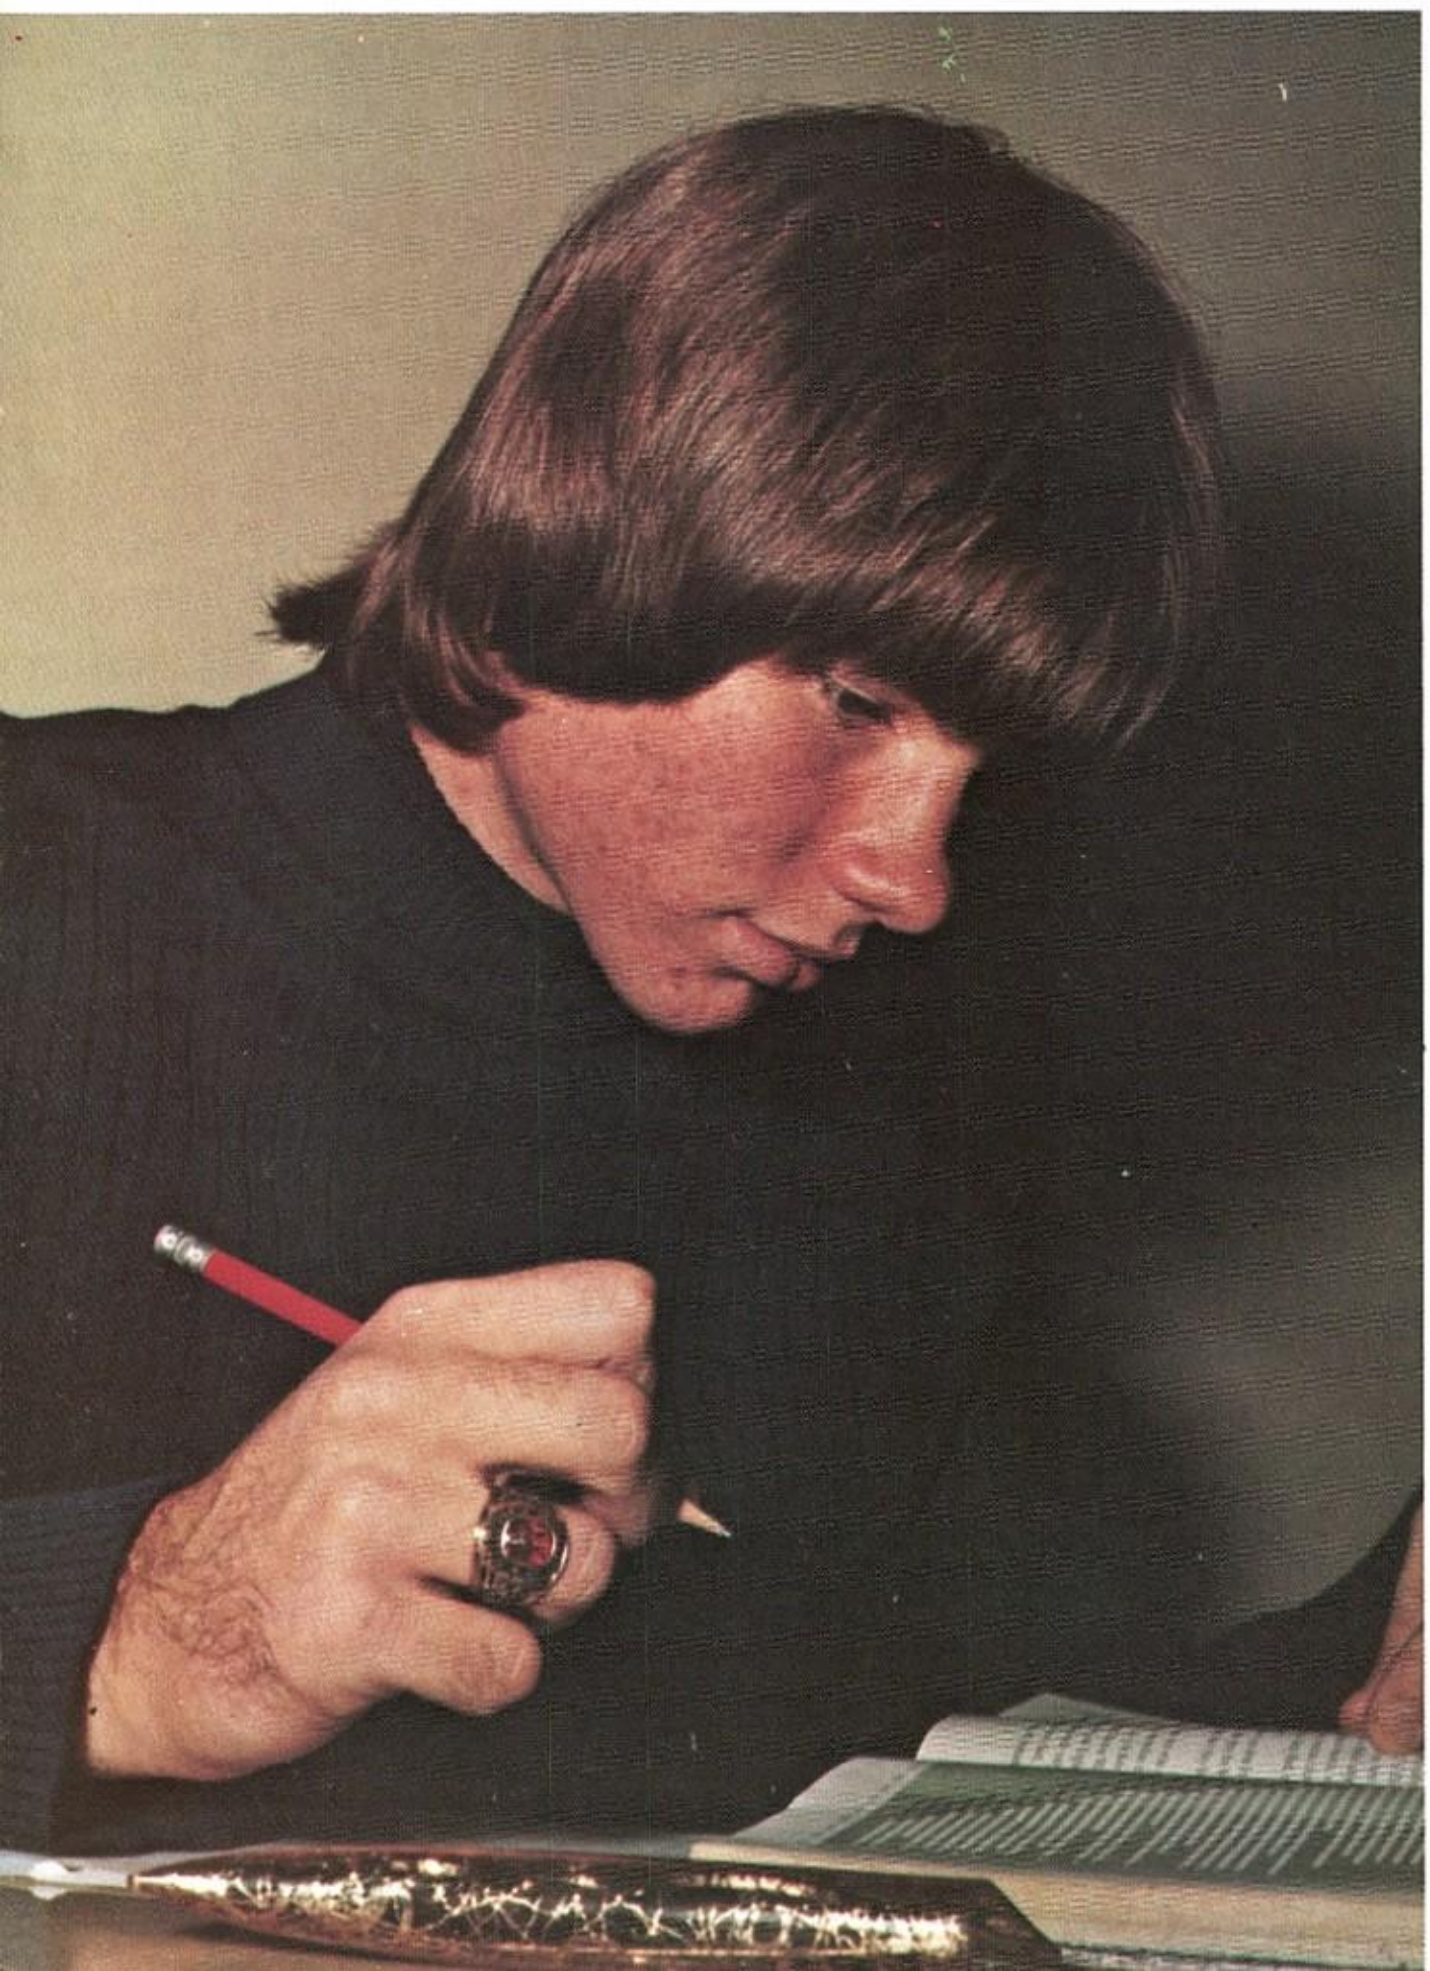
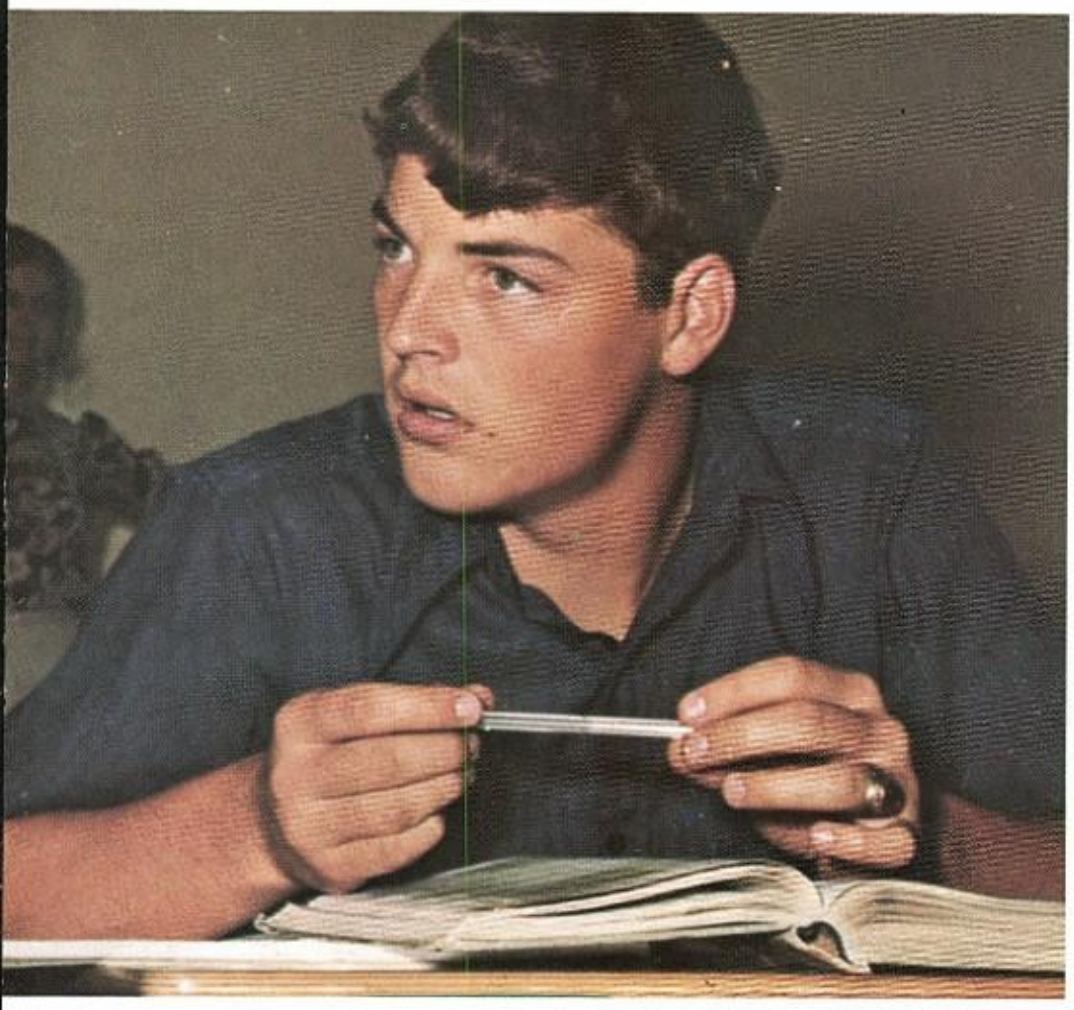
The worth of a State, in the long run, is the worth of the individuals composing it.

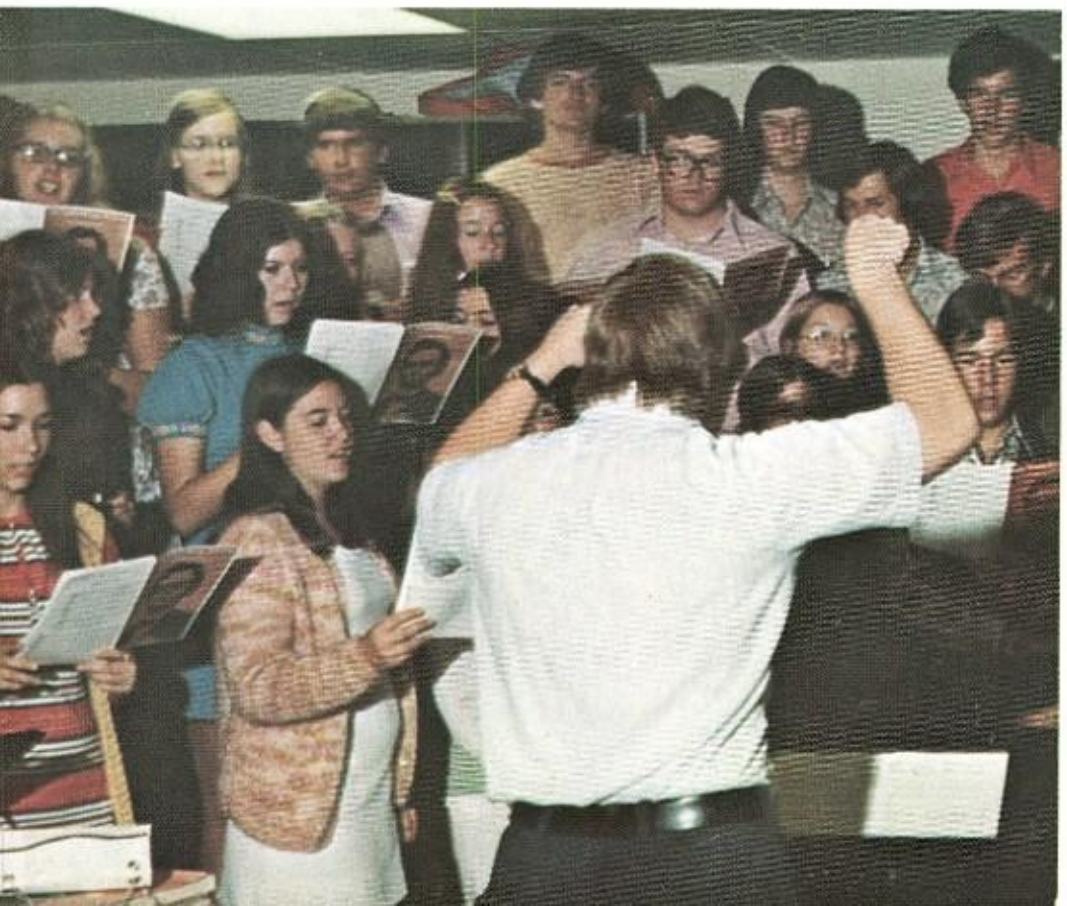
John Stuart Mill

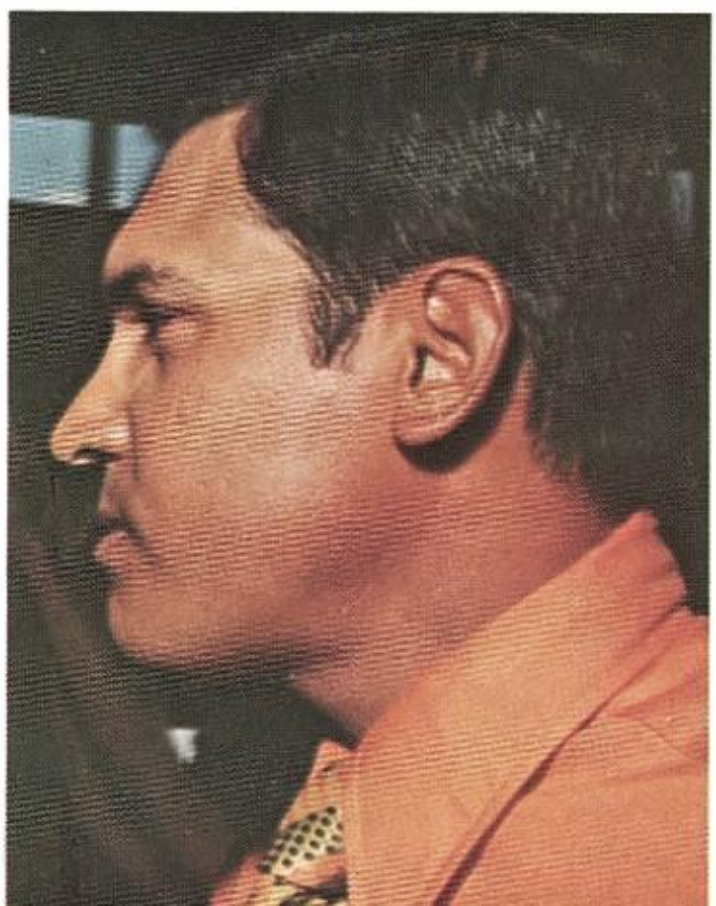






Faces . . . bewildered . . . intent . . . serious . . . peaceful . . . Crowds . . . laughing . . . playing . . . working . . . screaming . . . These are the members of North Garland's society — the individuals as they express themselves in their own unique ways, the individuals as they work together to build the best school possible.

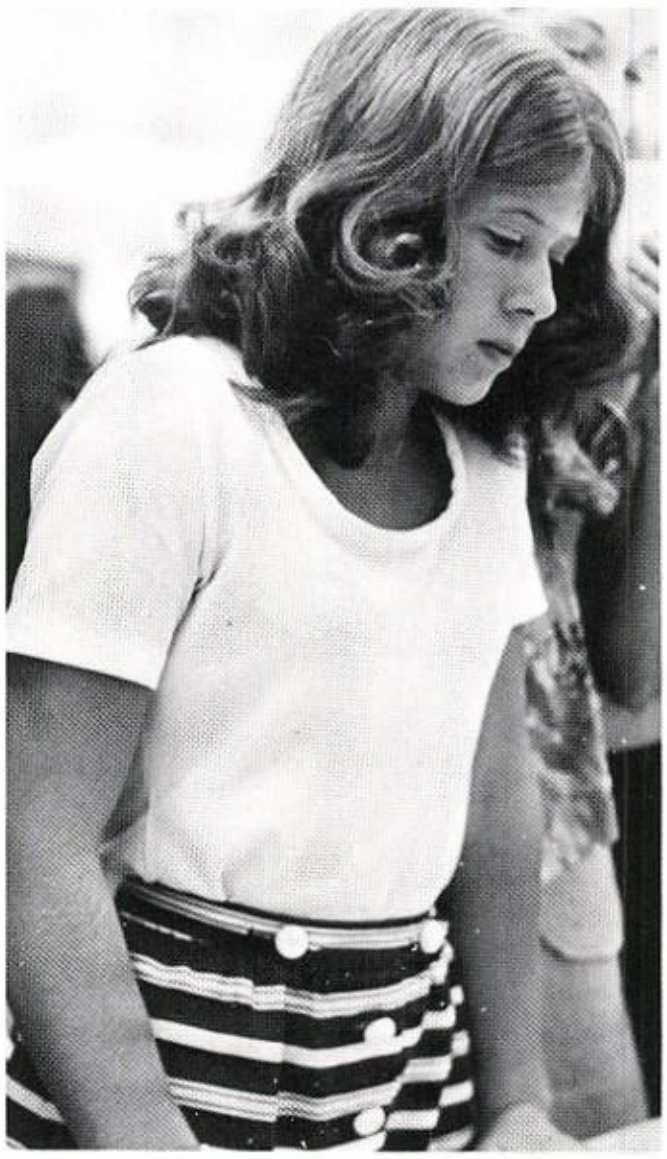




They can be found assembled together in numerous places, such as an assembly to learn about political journalism or a pep rally to show their spirit and support of the Raider football team.

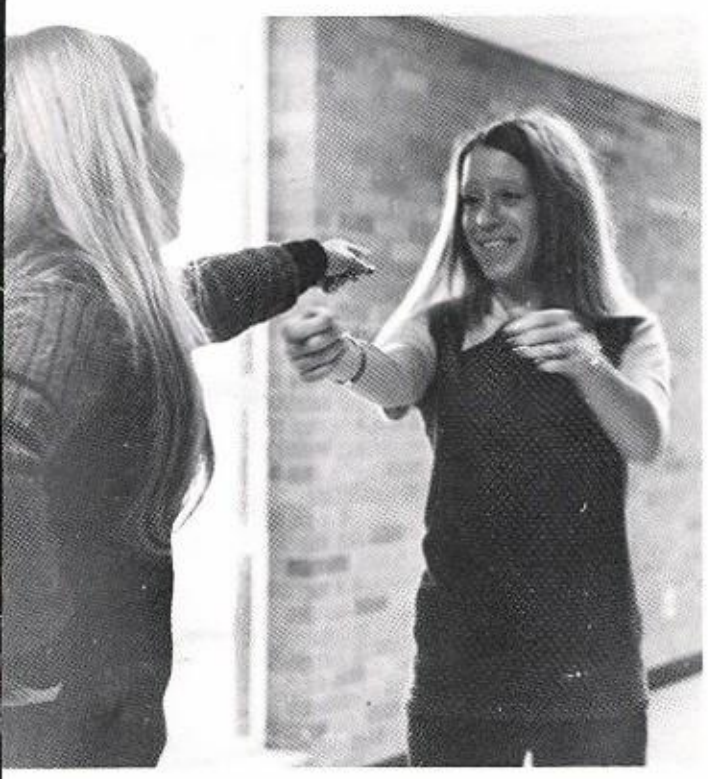
Behold how good and pleasant it is for brethren to dwell together in unity!

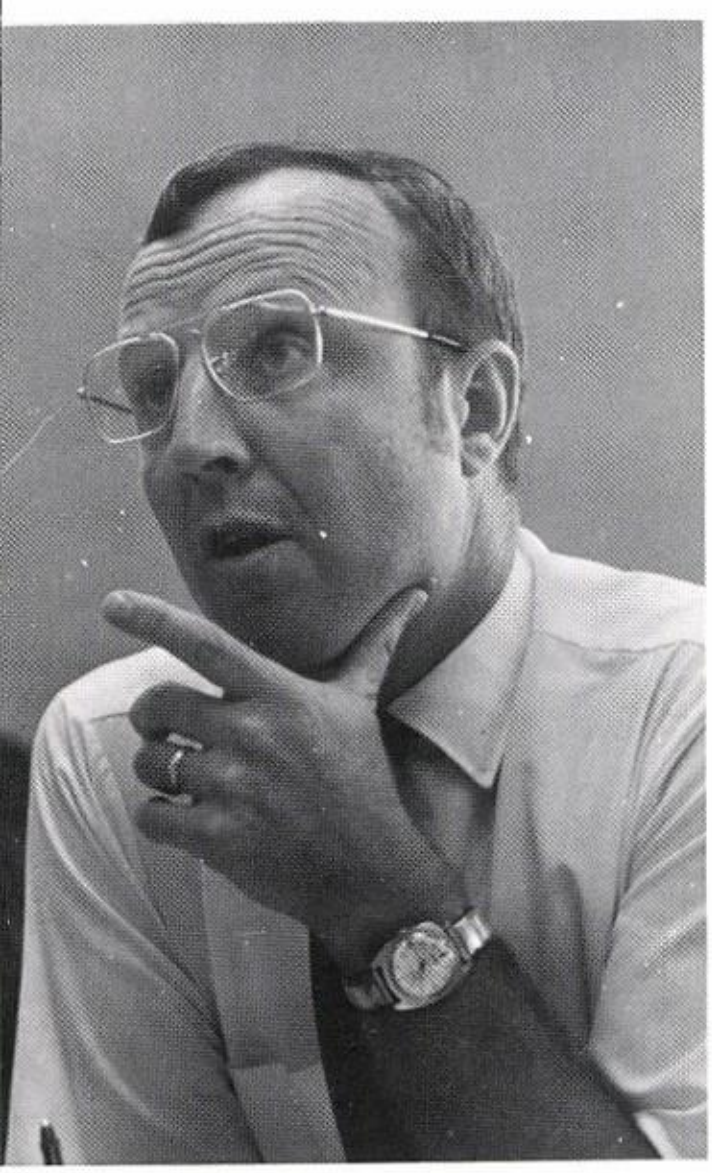
Psalms 133:1

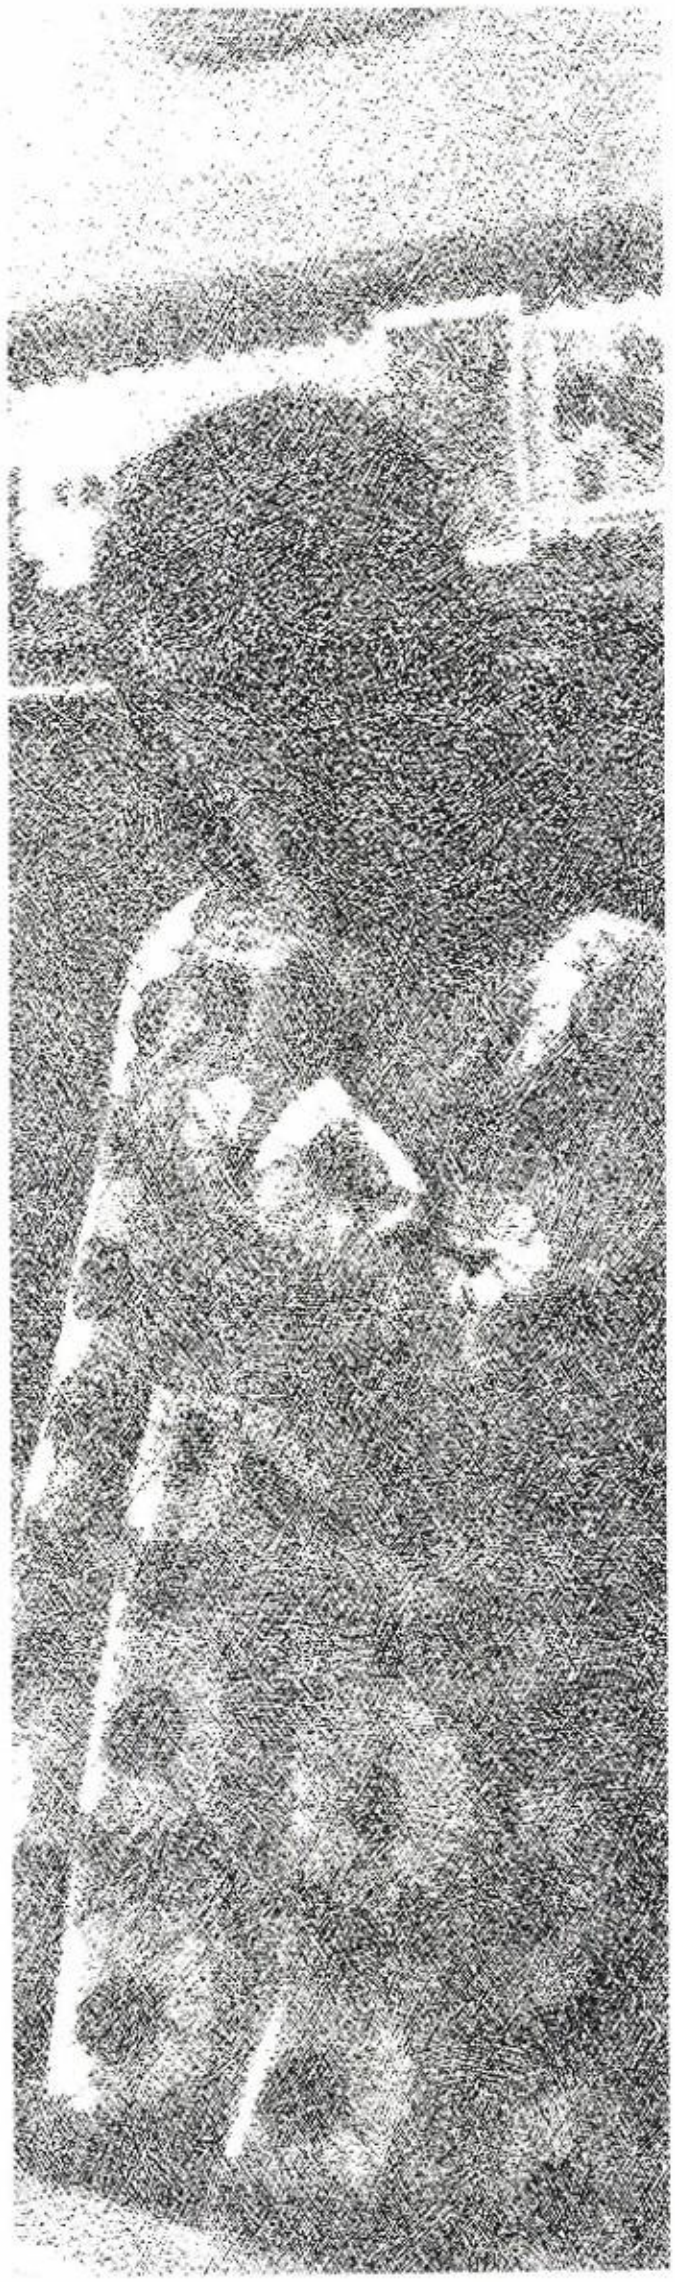


All are but parts of one stupendous whole.

Alexander Pope



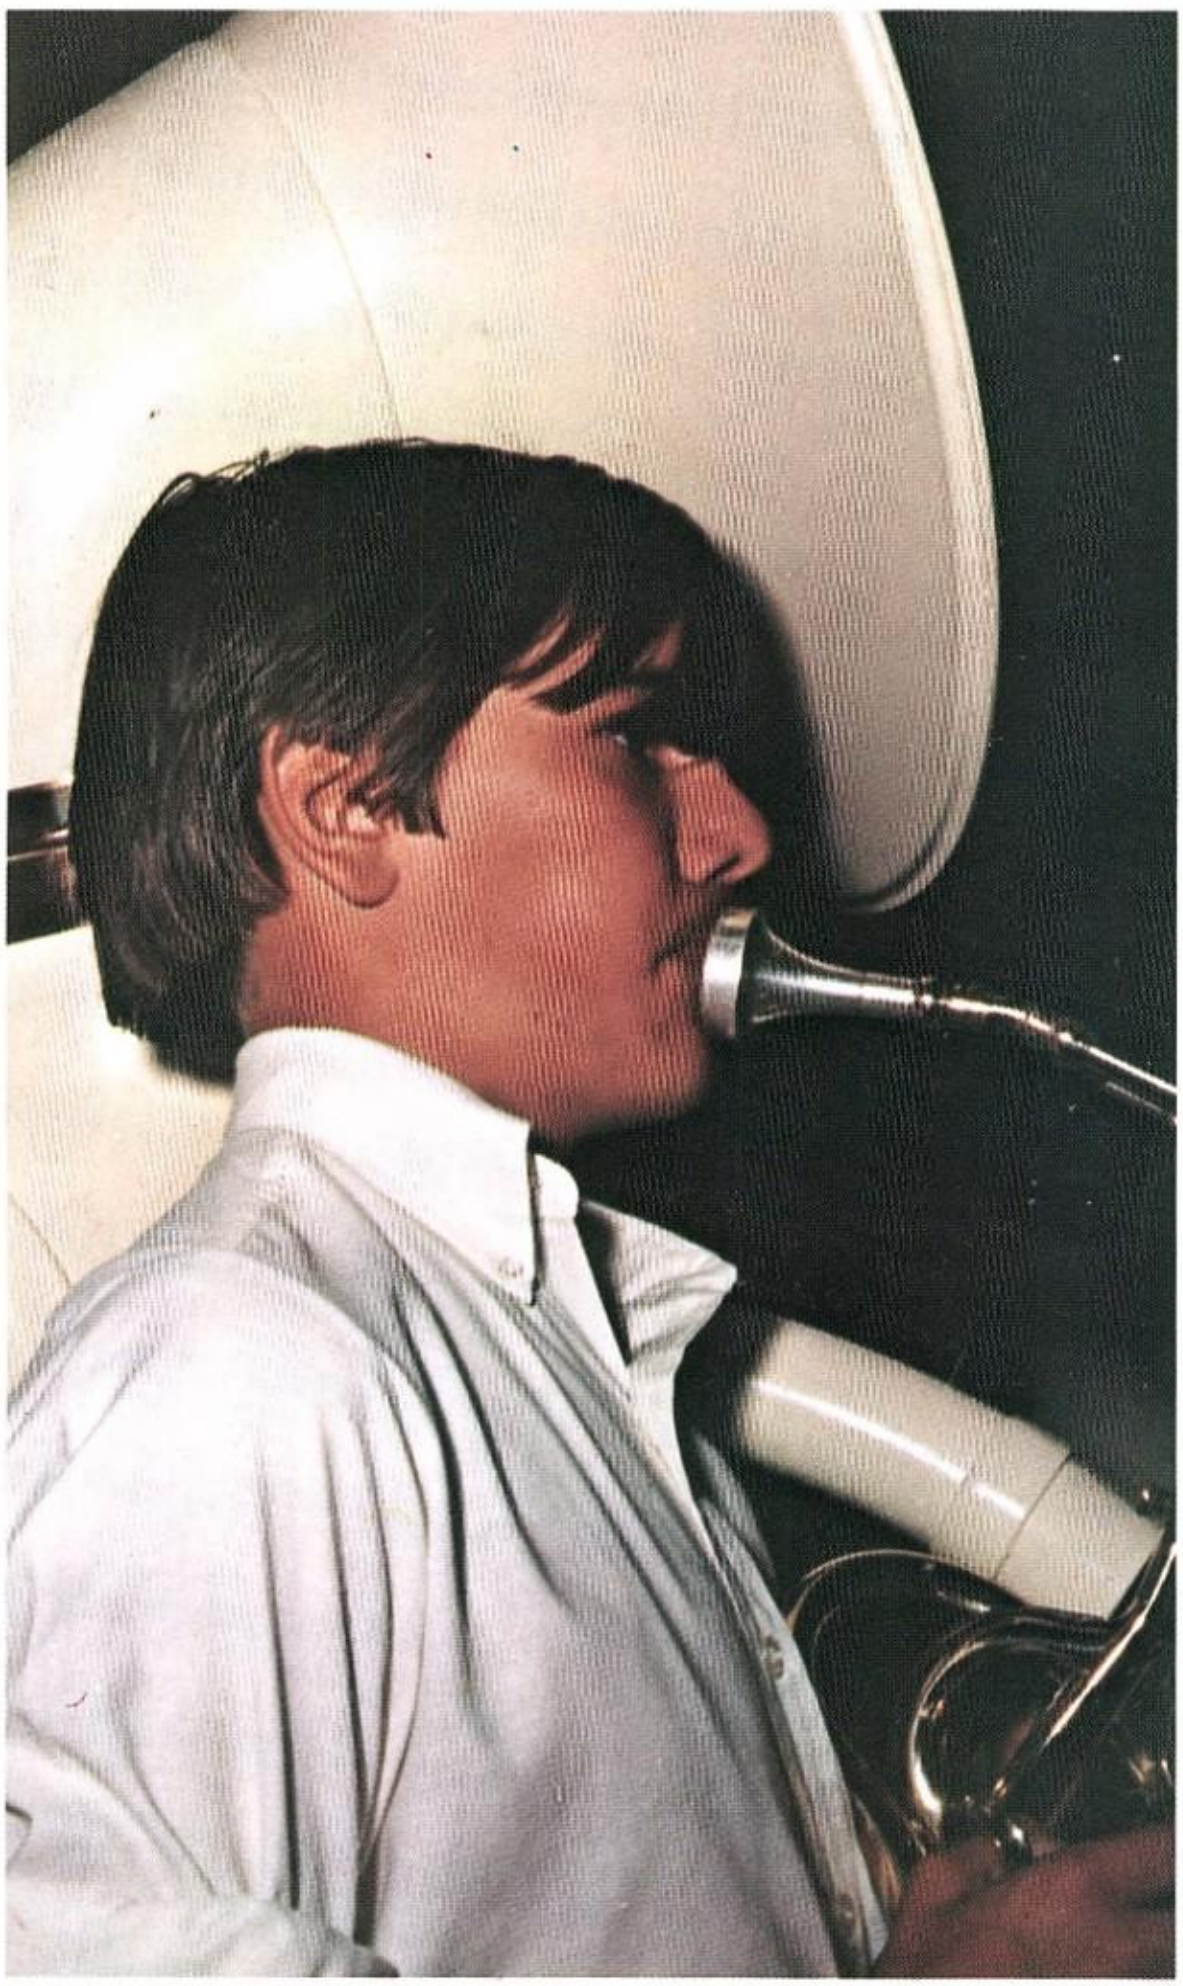


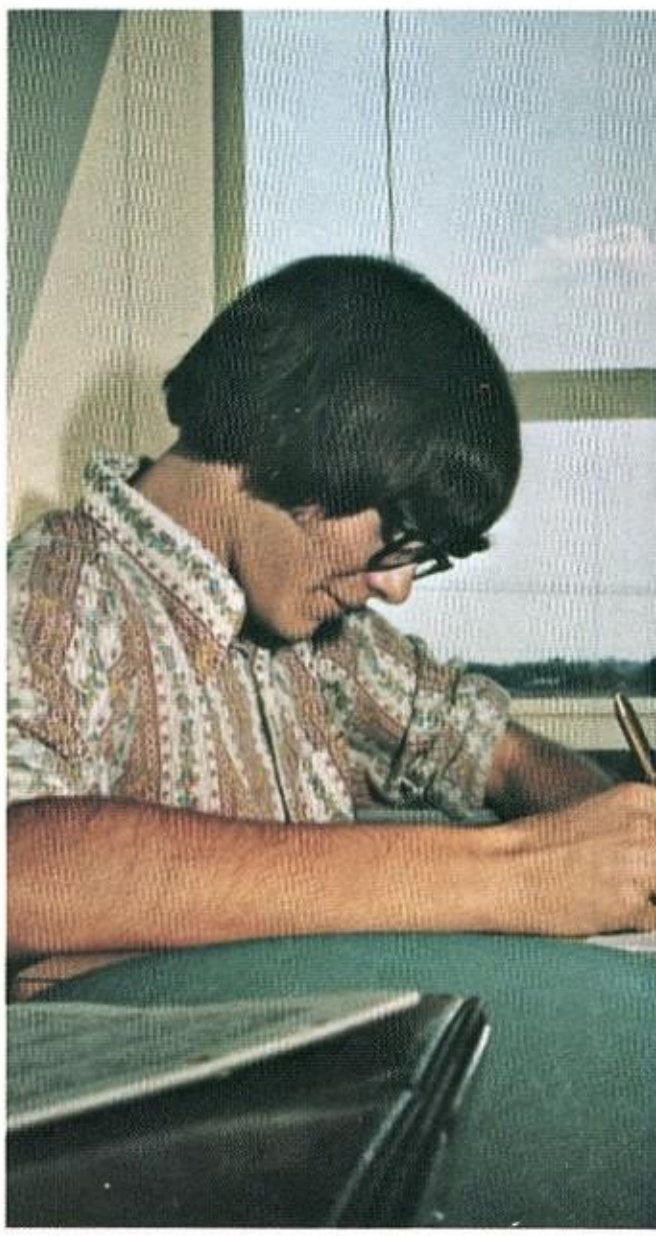


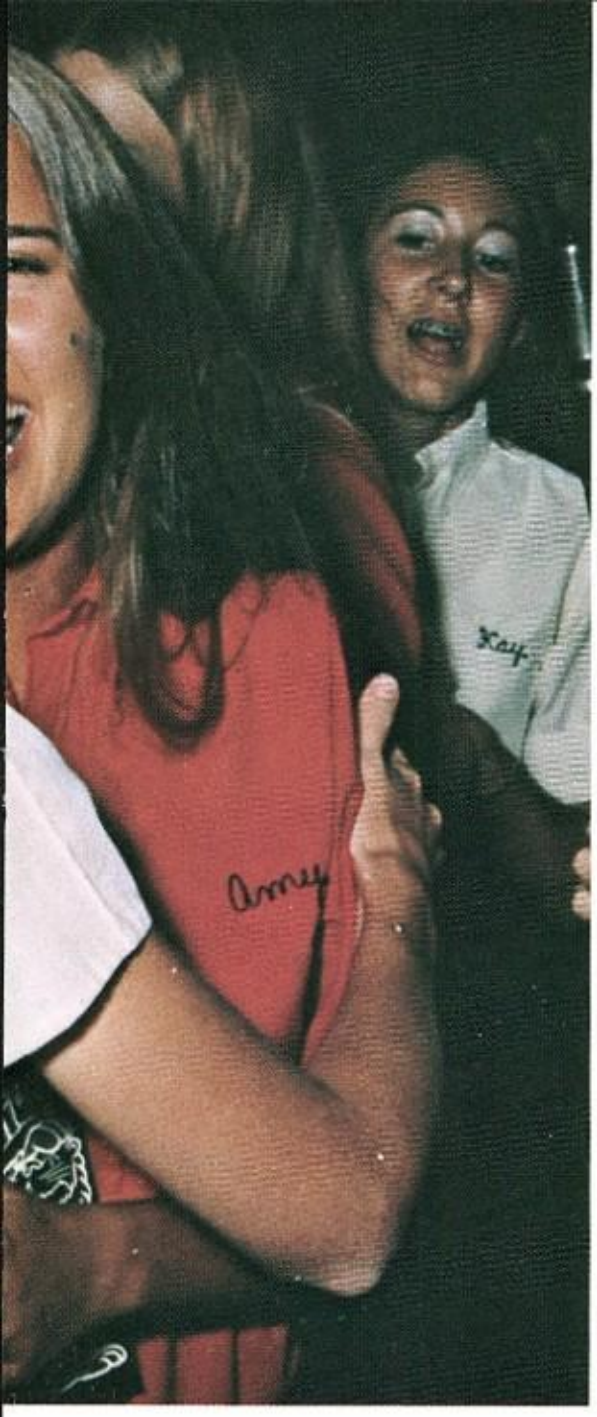
Their expressions include everything from a sophomore's apprehension at registration to Coach Kennedy's look of authority as he explains the consequences of skipping school to a student to the practiced expressions of two drama students at work.

A people, it appears, may be progressive for a certain length of time and then stop. When does it stop? When it ceases to possess individuality.

John Stuart Mill

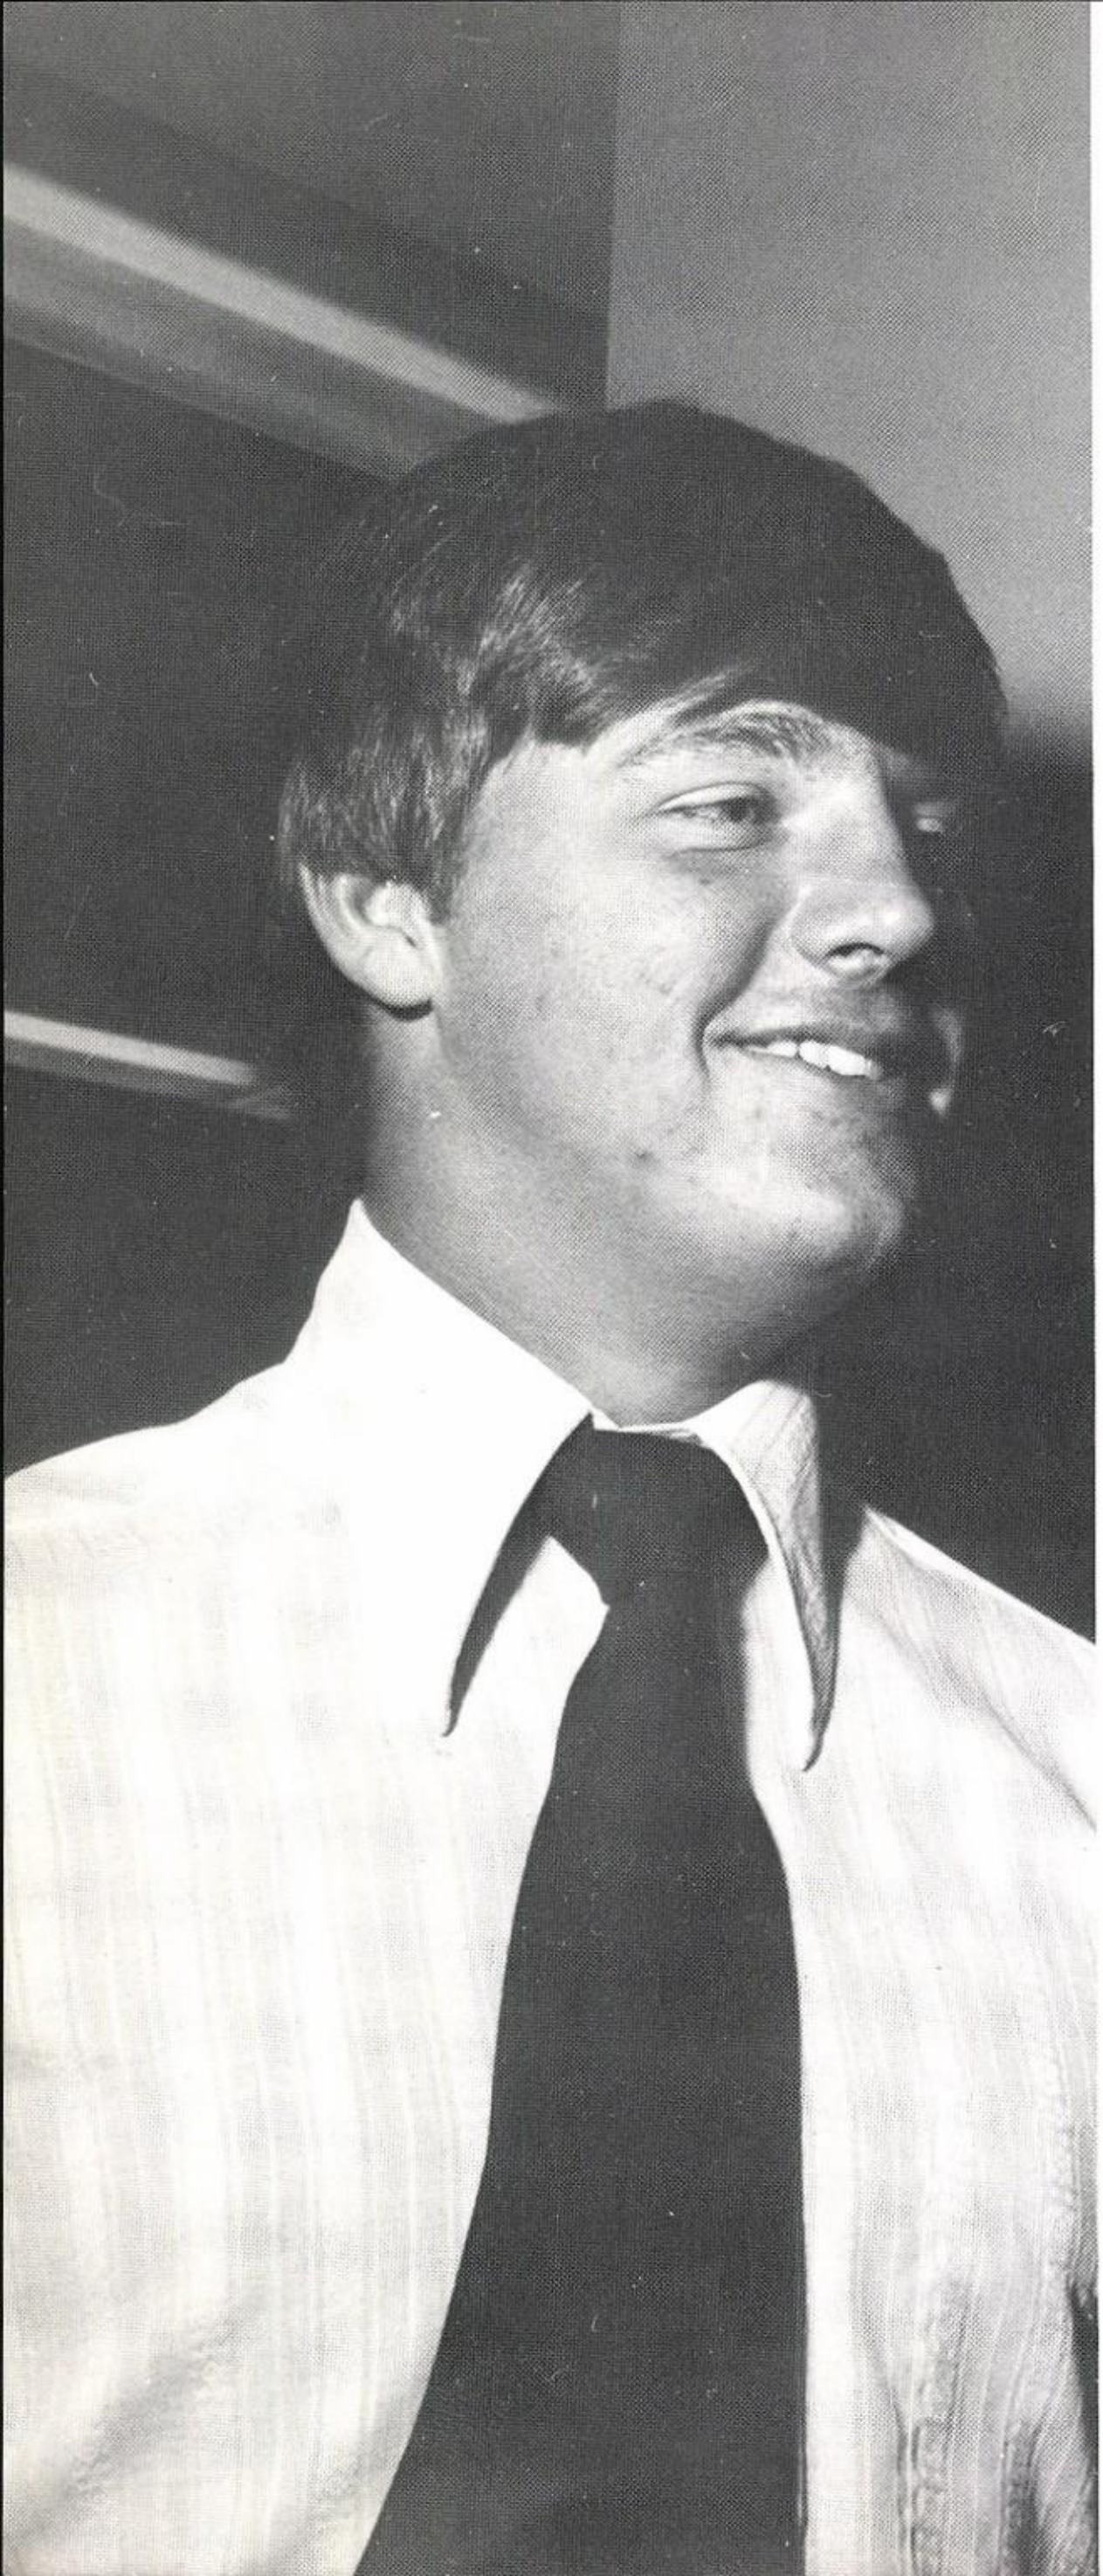


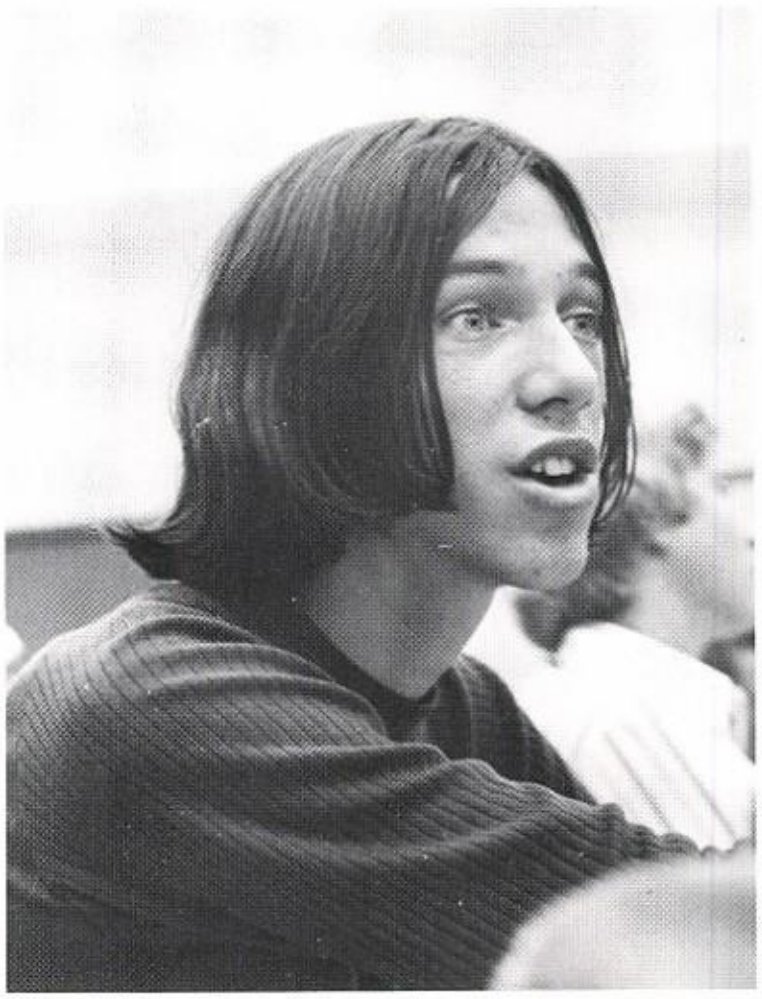


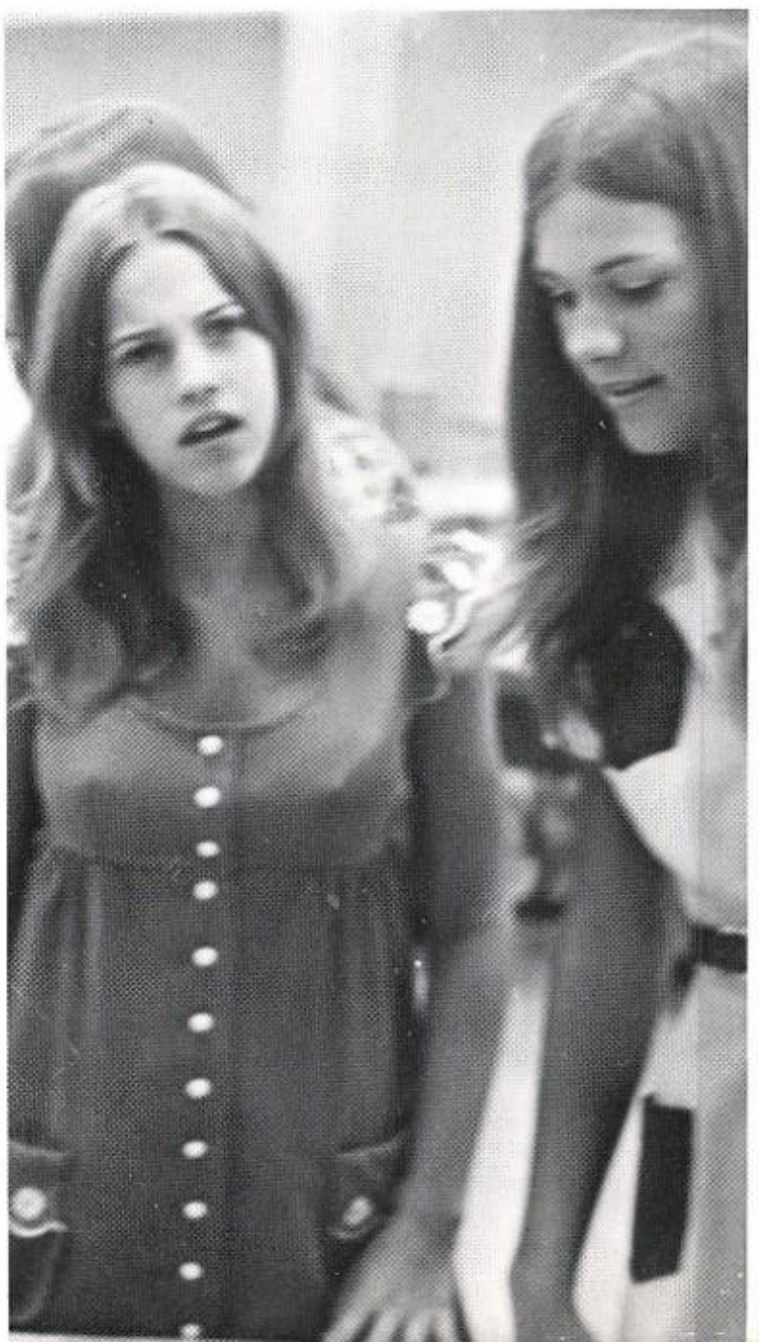


The liberty of the individual must be thus far limited; he must not make himself a nuisance to other people.

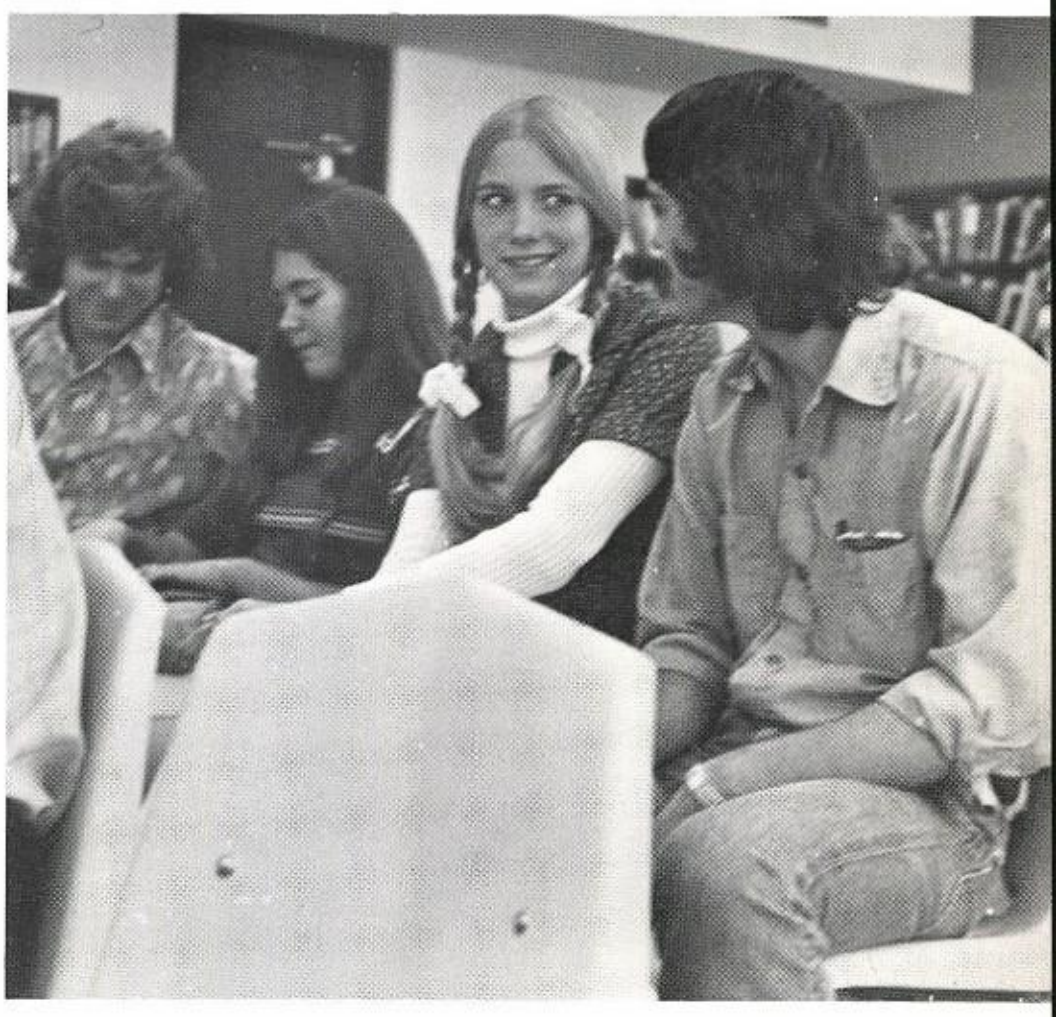
John Stuart Mill





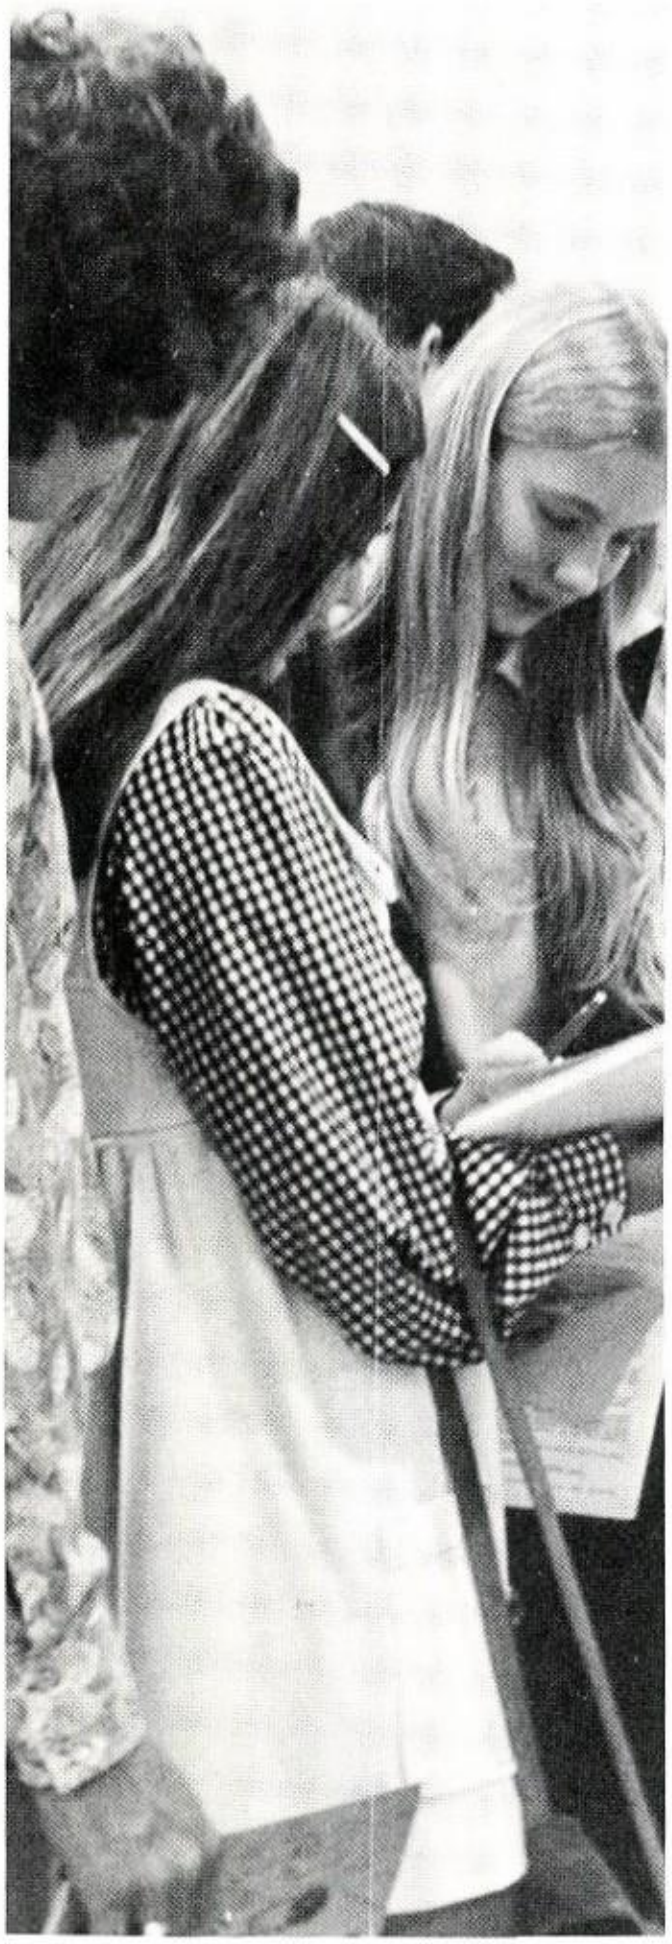


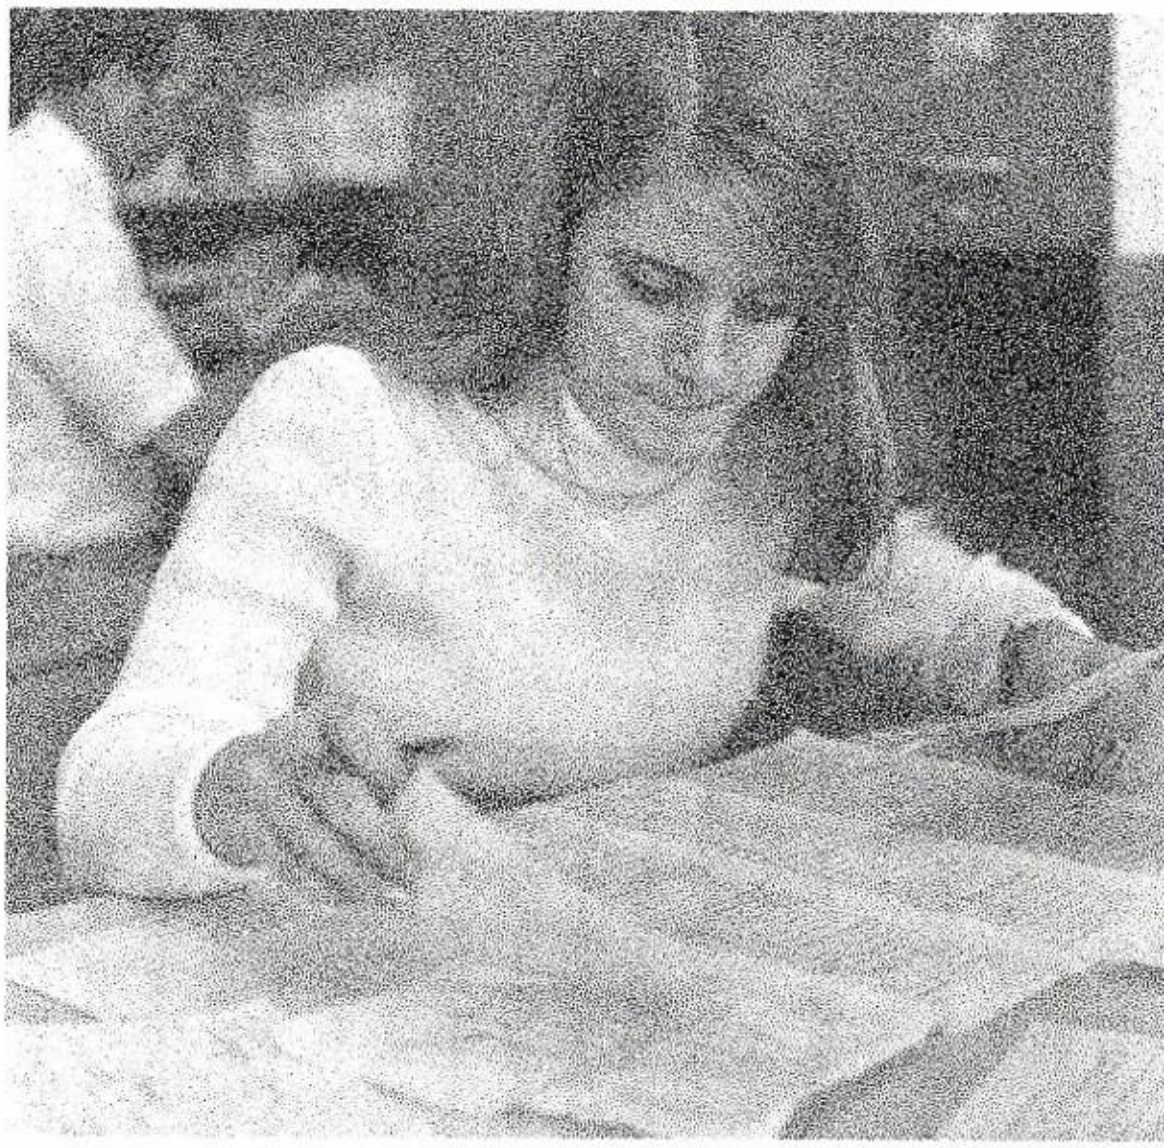
More faces and more expressions . . . pleasure . . . enthusiasm . . . confusion . . . surprise . . . disbelief . . . questioning . . . all unique and all belonging to the individuals of our school.



However, all of these individuals must unite and work together. Then, we can have a school that we, and the whole community, can be proud of.

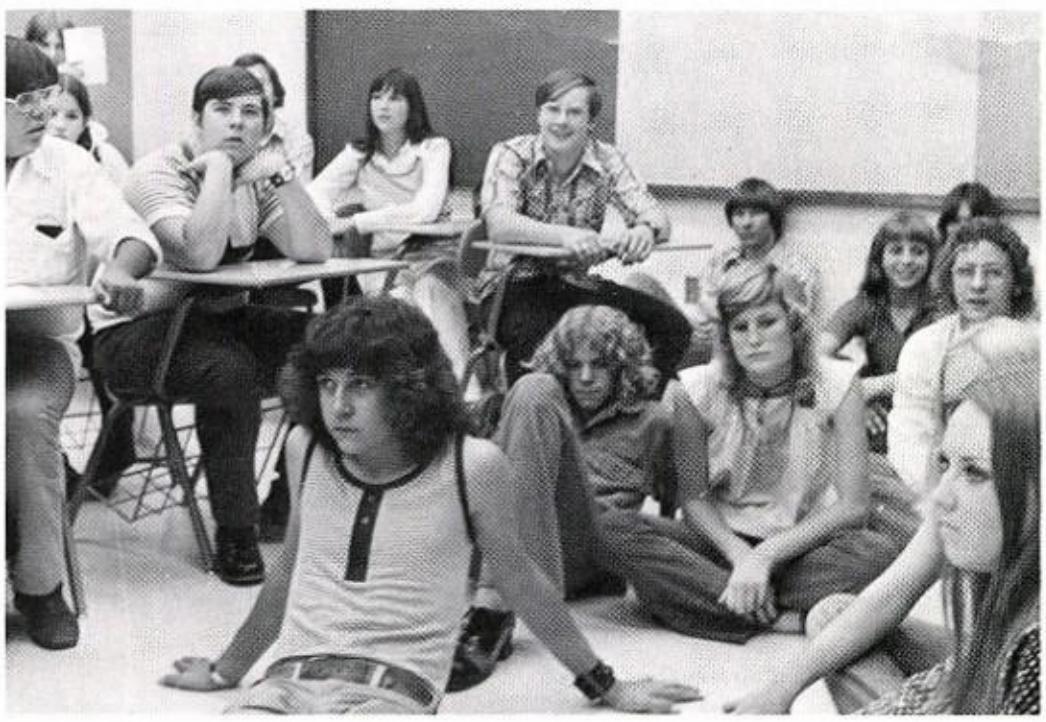
Always be an individual, step to your own music, not that of others; but use your individuality for the good of the whole, for only then can we build a successful, happy society.

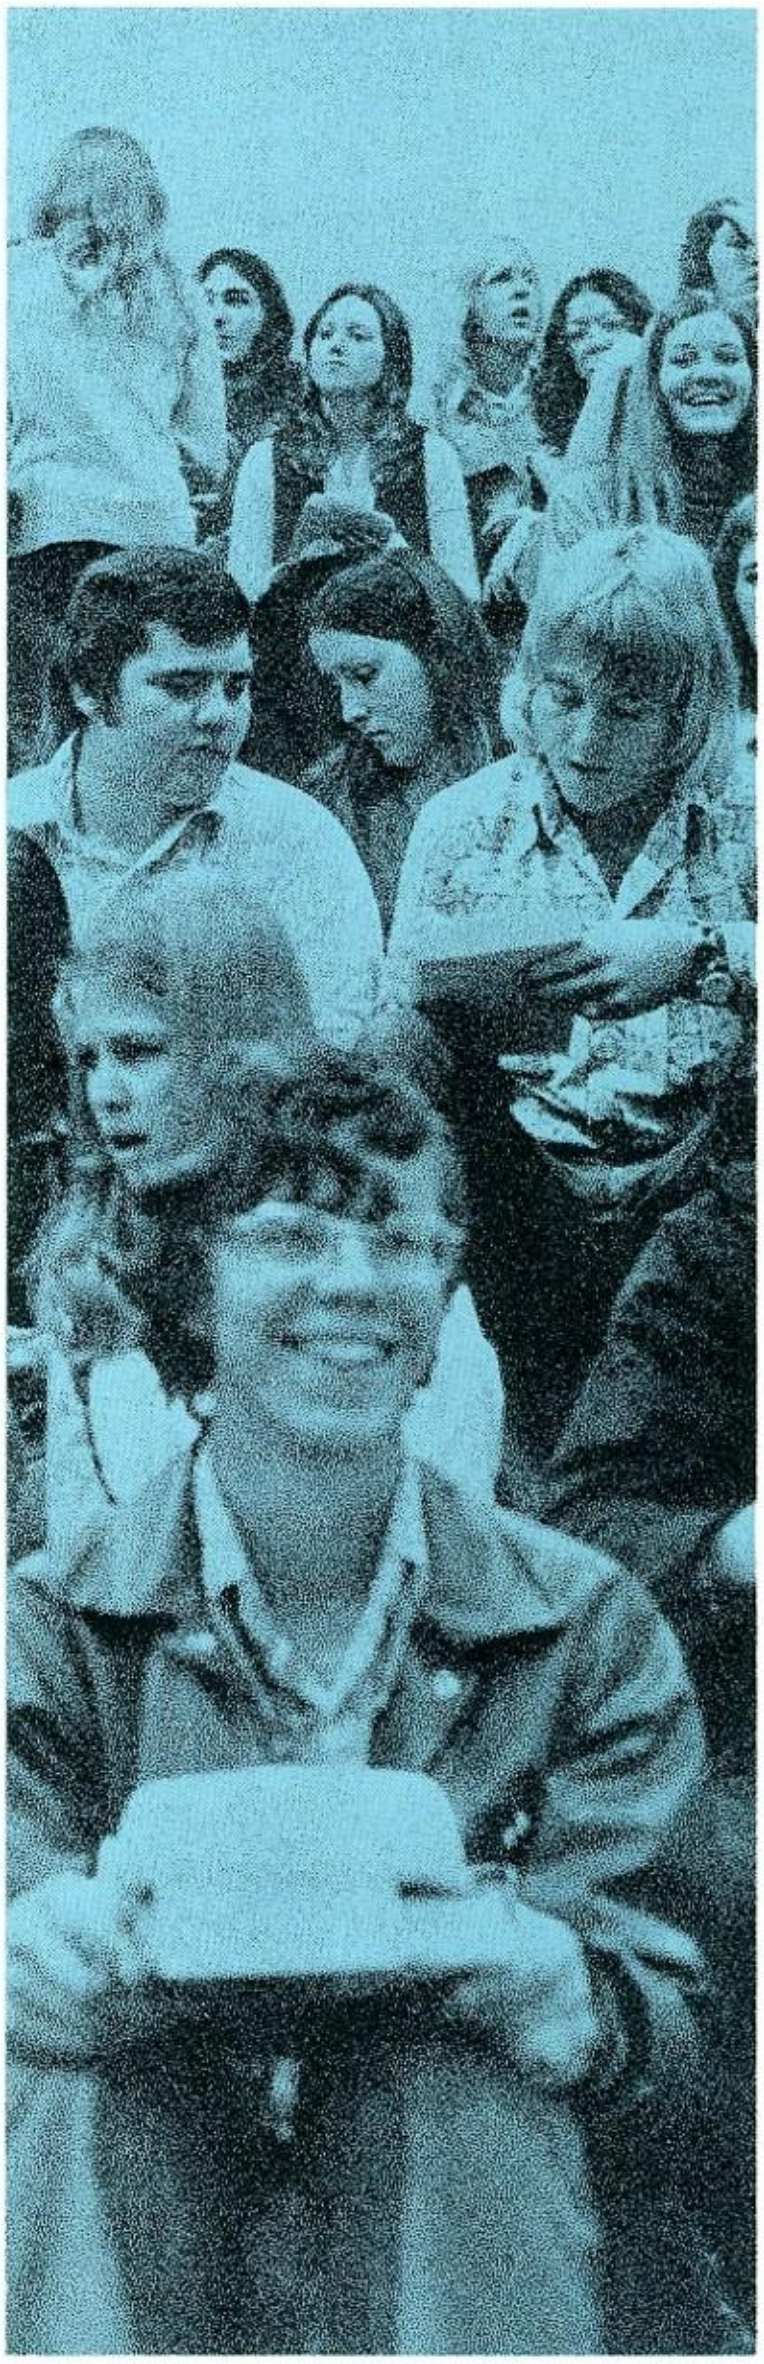




It ain't the guns or armament, or the money
they can pay,
It's the close cooperation that makes them win
the day;
It ain't the individual, nor the army as a
whole,
But the everlastin' teamwork of every bloomin'
soul.

J. Mason Knox





The quality of a school depends upon the faculty and students of that school. Here at North Garland, we have two faculty members who deserve recognition for their lasting devotion to making NG a first class school.

They are two of the most important people in this school, and for many reasons:

Both are well informed in the areas of student life . . .

Both are honest with themselves and others . . .

Both are very sensitive to our problems . . .

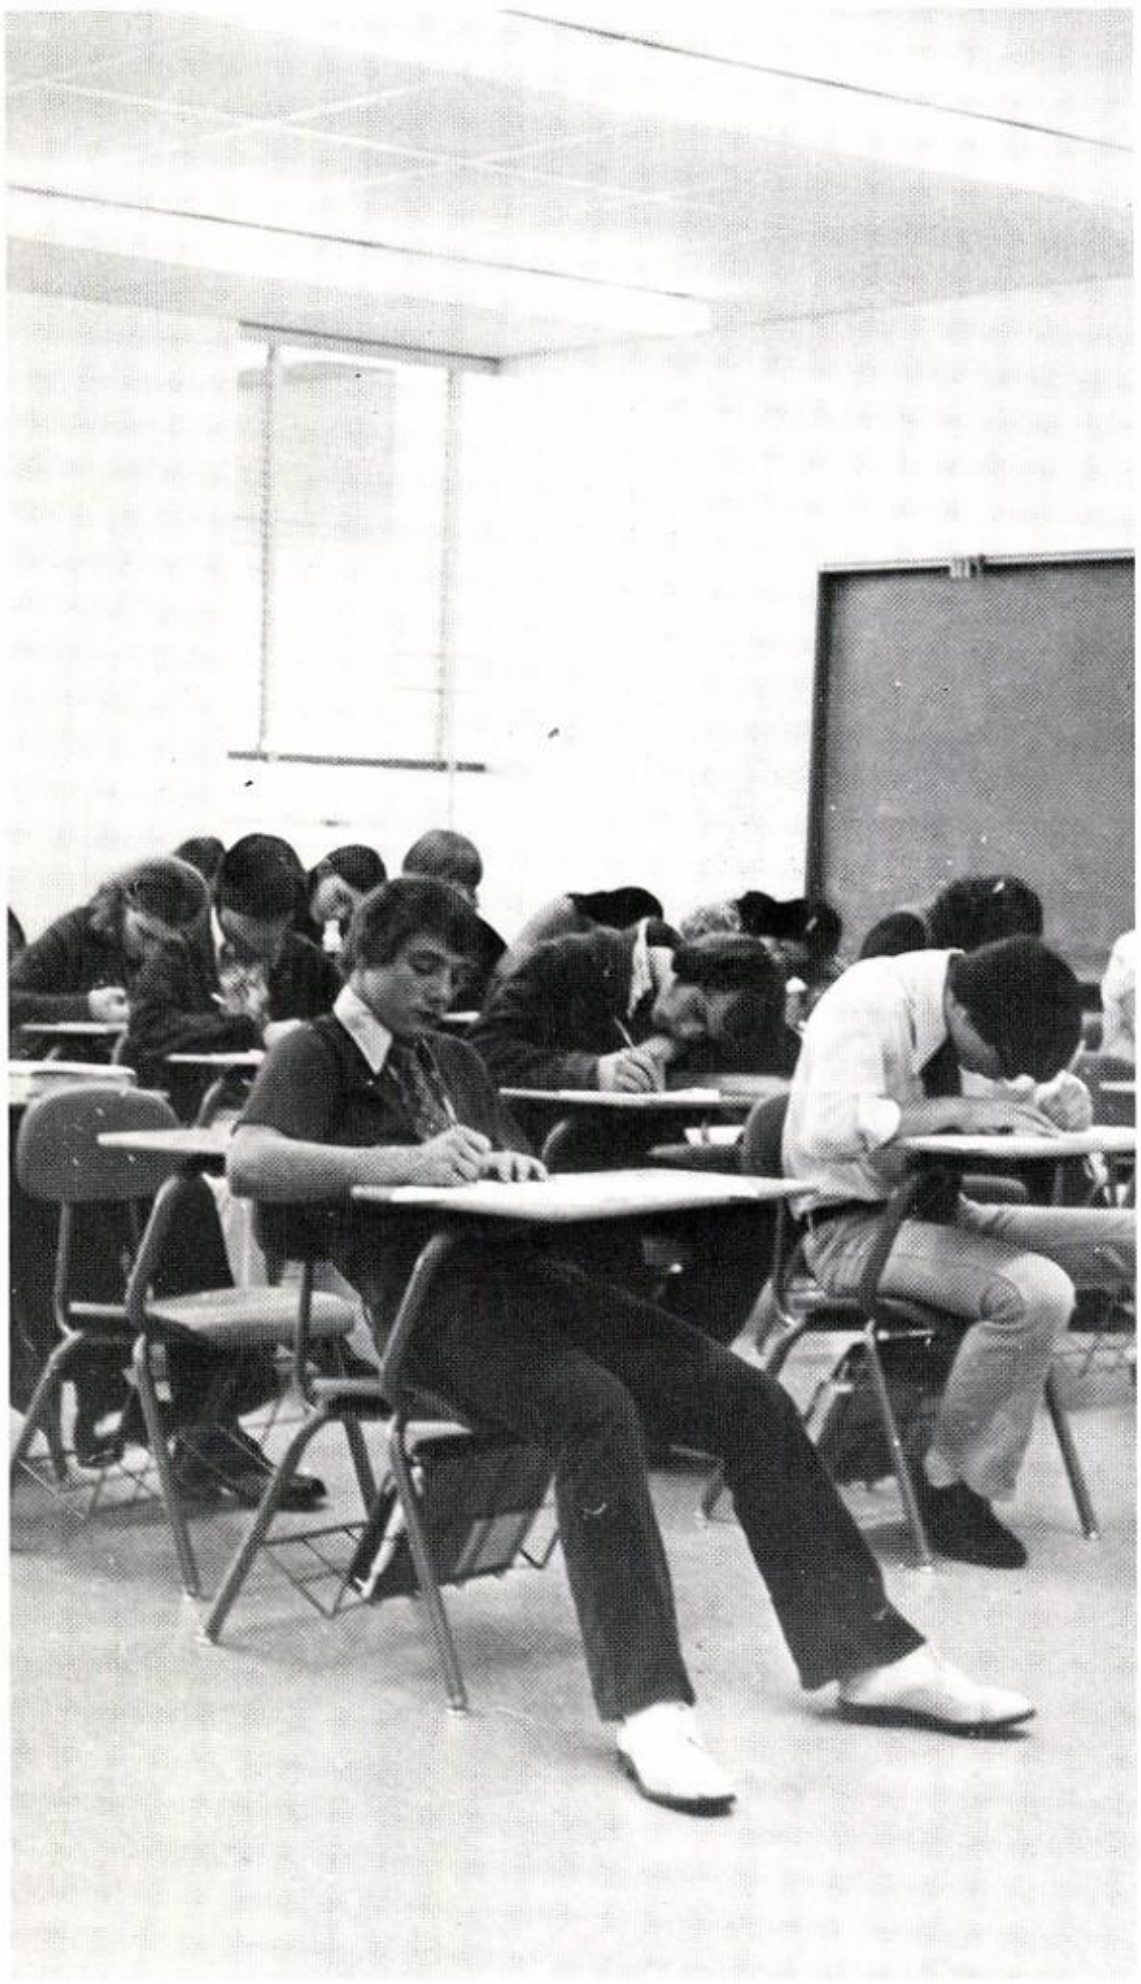
Both are always willing to work overtime in the interest of NG and its students . . .

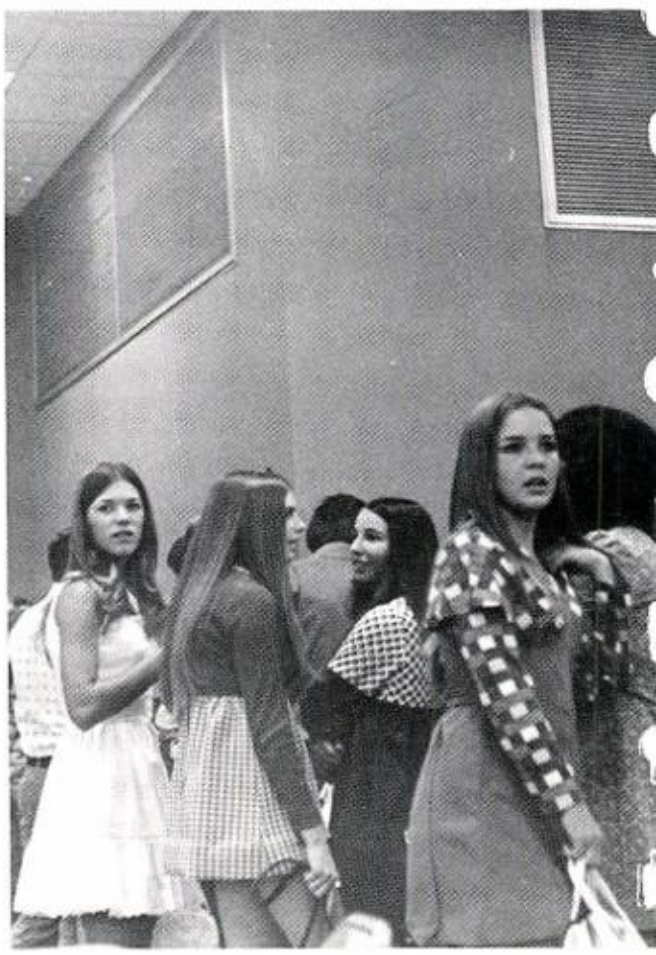
Both are willing to do what the majority of the students want whenever possible, and

Both are willing to explain to us their reasons when they can't do what we want.

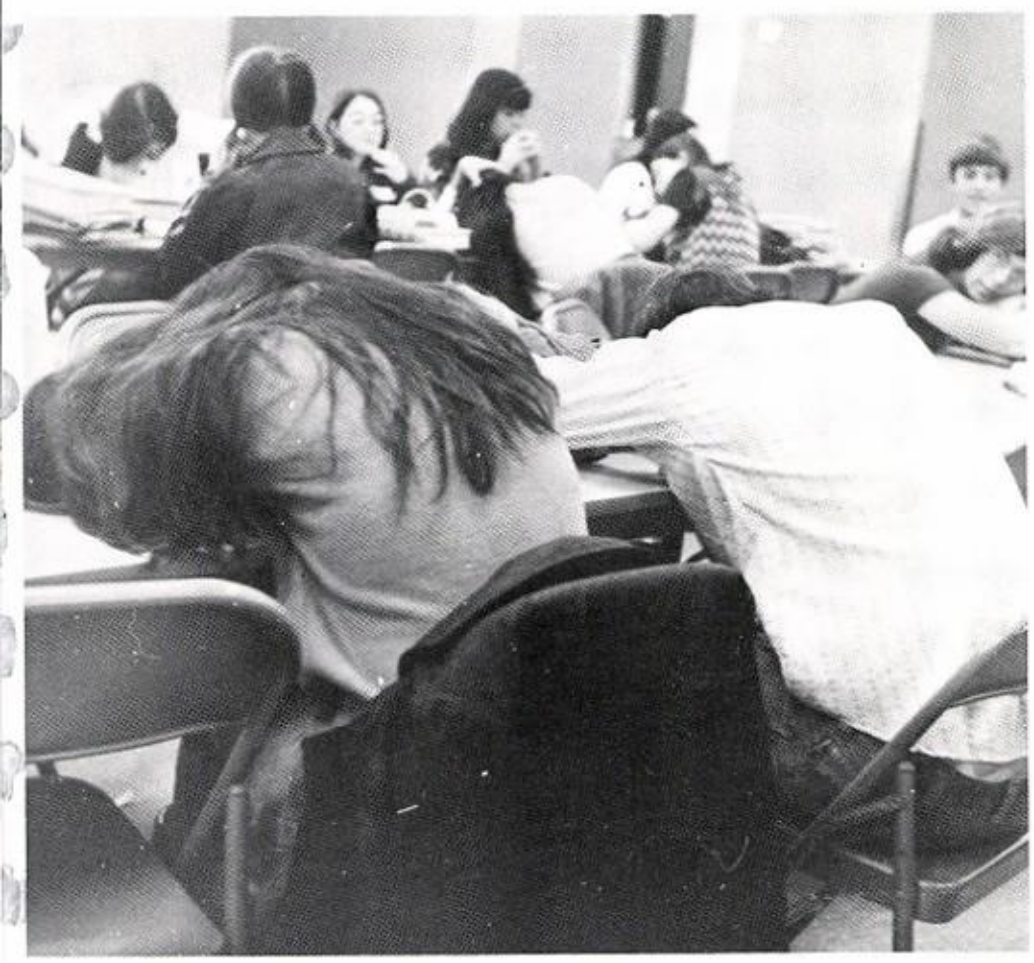
Therefore, the 1973 MARAUDER would like to give special recognition to:

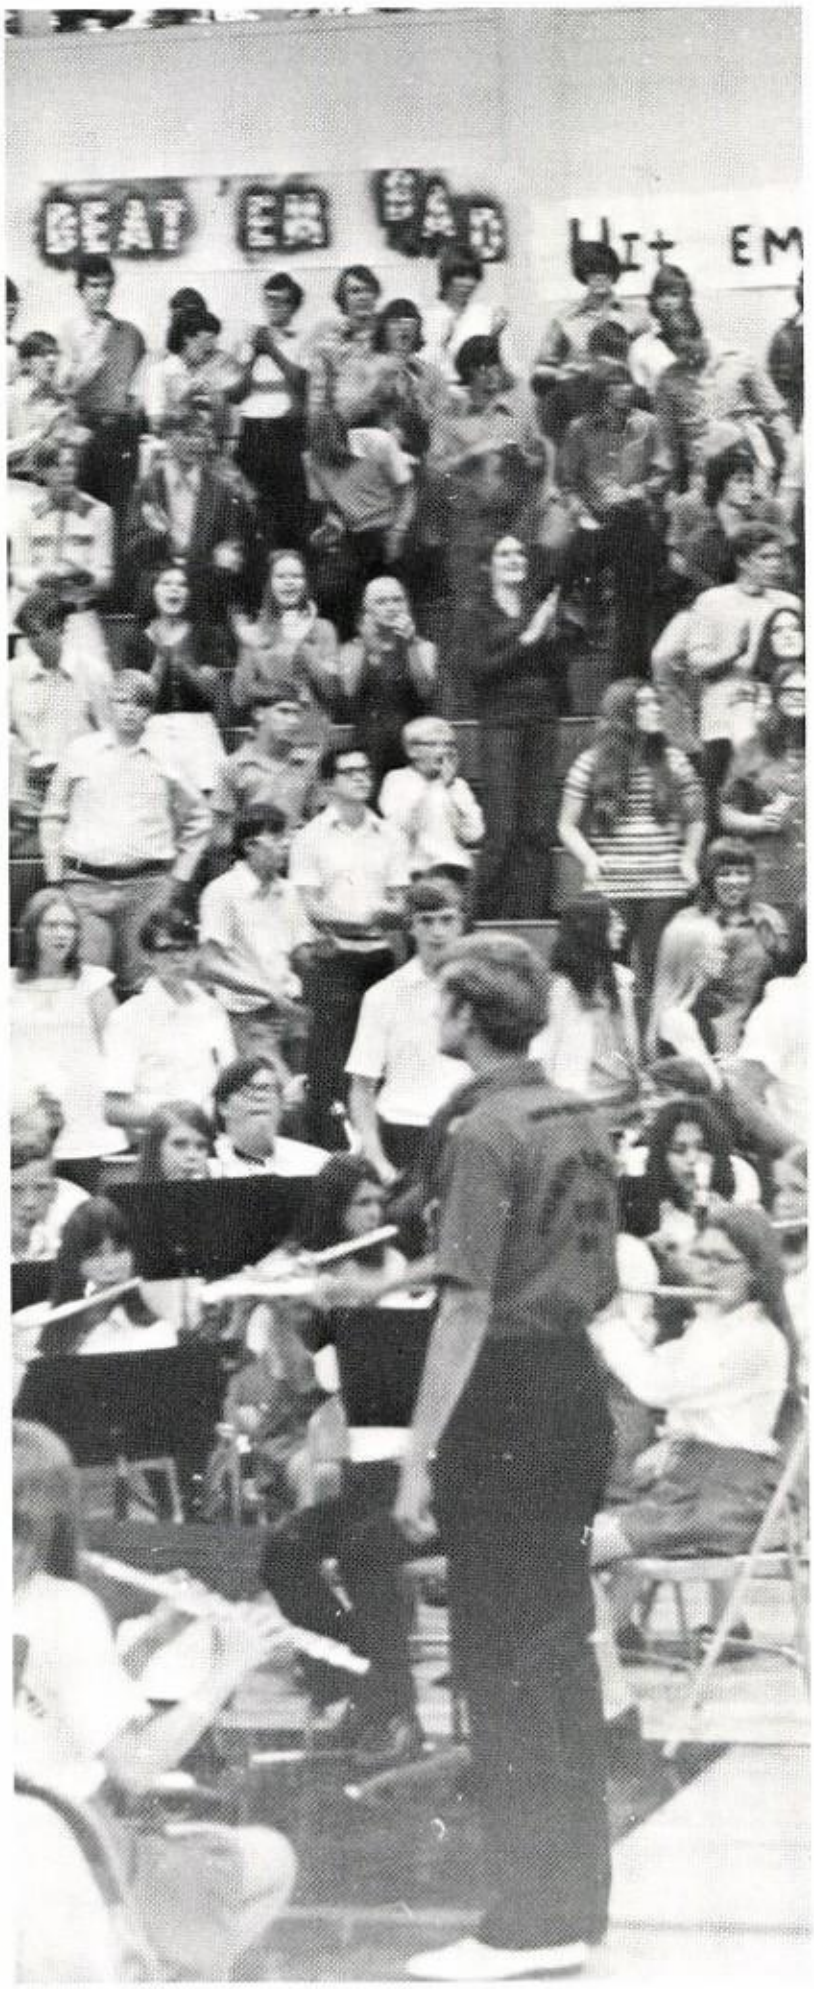
Mr. Gene Hudson and
Miss Jill Shugart

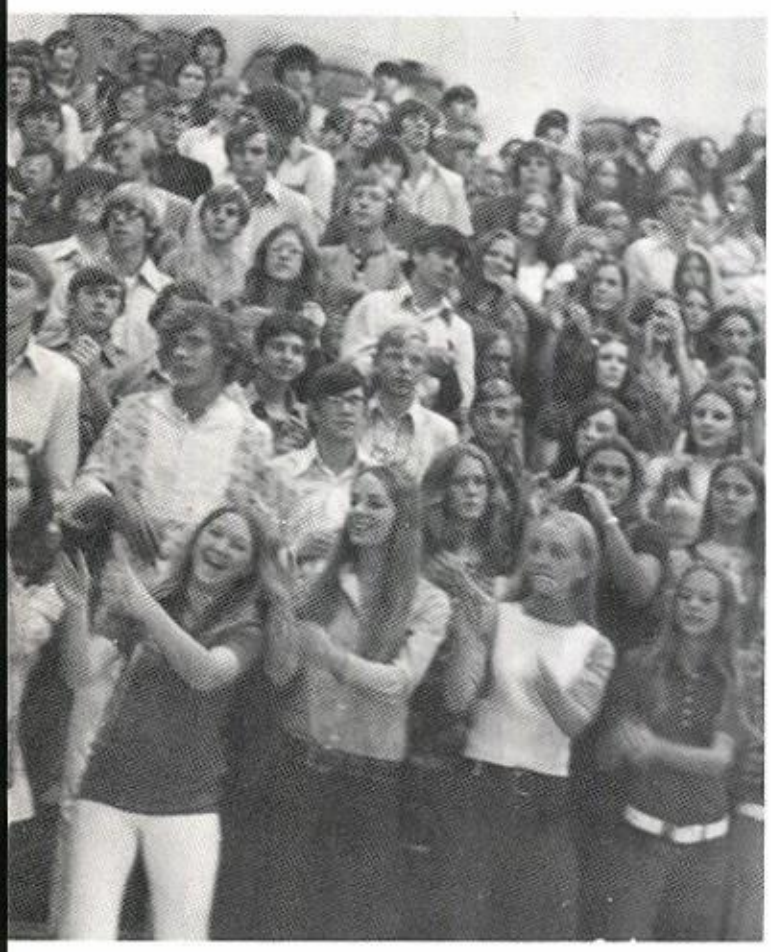




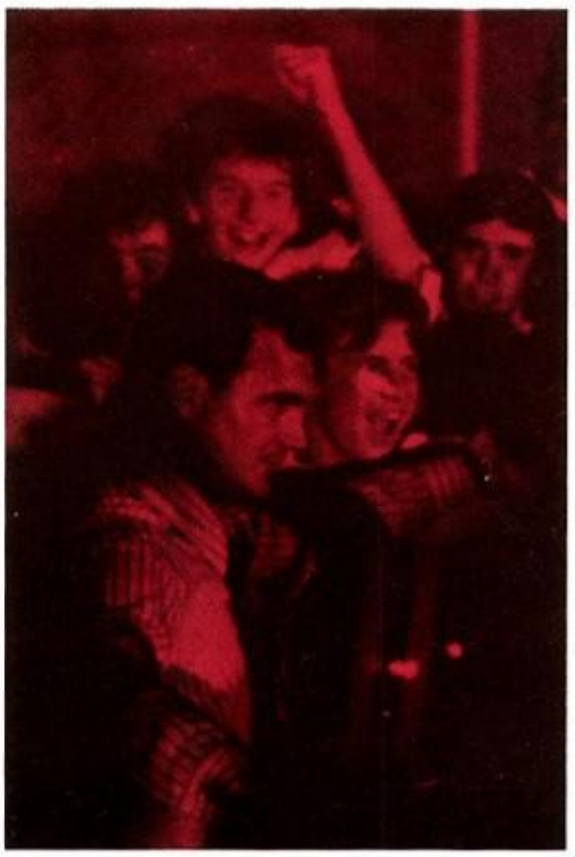
Student Life

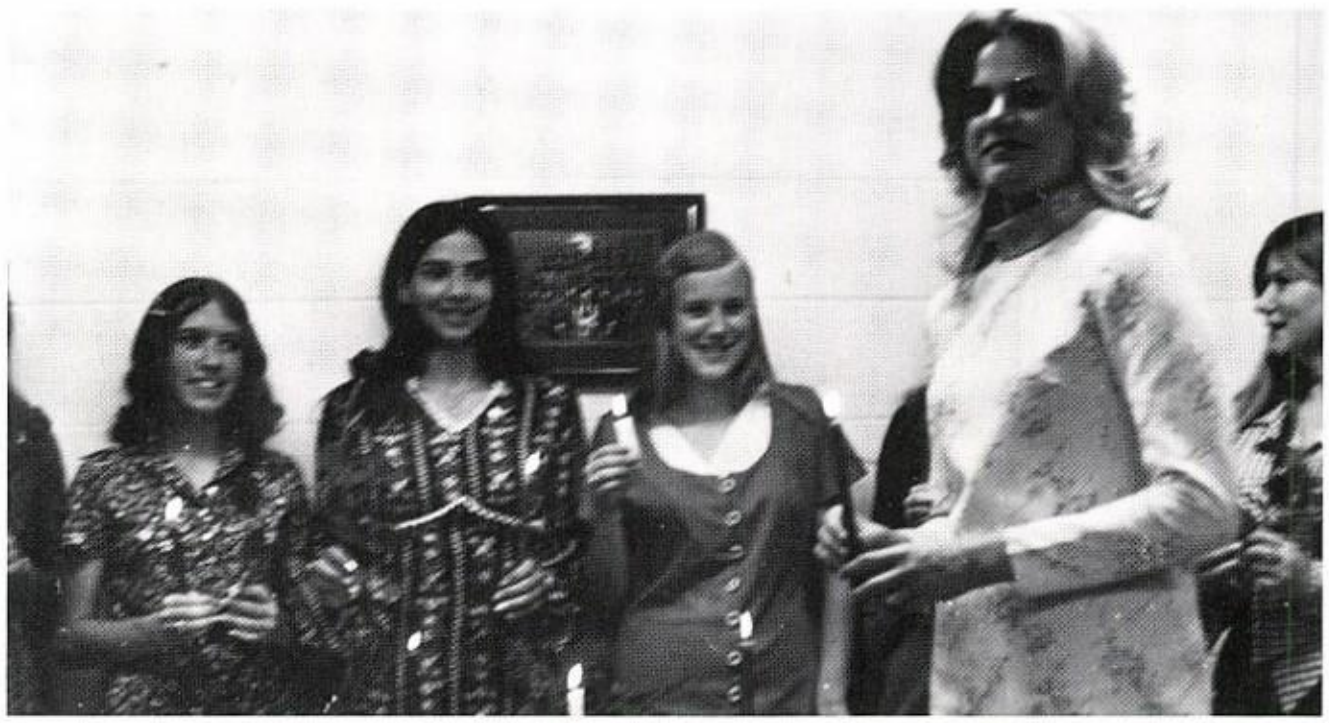






The beginning of North Garland's second year could be described with one word — increase. Just as there was an increase in student body, faculty, and the school itself, there was more importantly an increase in spirit and interest in school activities. With the increase in the Mam'selles and Band, North Garland's first half-time performance was only a portion of the greatest experience North Garland has ever known — the winning of our first varsity football game.





The Mutts finally make that big step.

The spirit of North Garland comes alive at one of our many pep rallies.

Choir's first performance was a success.

North Garland's last football game came on a cold and rainy Friday night in Bonham, ending with a 7-0 victory for the mighty Raiders. Basketball season began in the same style football season ended — on a cold and rainy Friday night with another victory for N.G. Unfortunately, school continued on through storm, sleet, and rain. The seniors, however, were hoping that the rain and cold will be gone by graduation, as they held an assembly to discuss their invitations and announcements.

Bic pens were put to the test to write "first time, every time" as North Garland entered the KLIF "spirit" contest. Papers and pens were everywhere as students and teachers frantically tried to manufacture the most petitions. Mrs. Merrell worked tirelessly with high expectations of a "night on the town" with the faculty. Though North Garland placed fourth runner up, our spirit proved No. 1!

December came to North Garland filled with activities and assemblies. The New Californians, a religious rock group, entertained with a number of patriotic selections. Christmas spirit was added with the Band and Choral Christmas Concert, under the direction of Mr. Chamberlain and Mr. Herrington. North Garland homemakers did not forget to add a festive air with their Christmas tree and gifts.

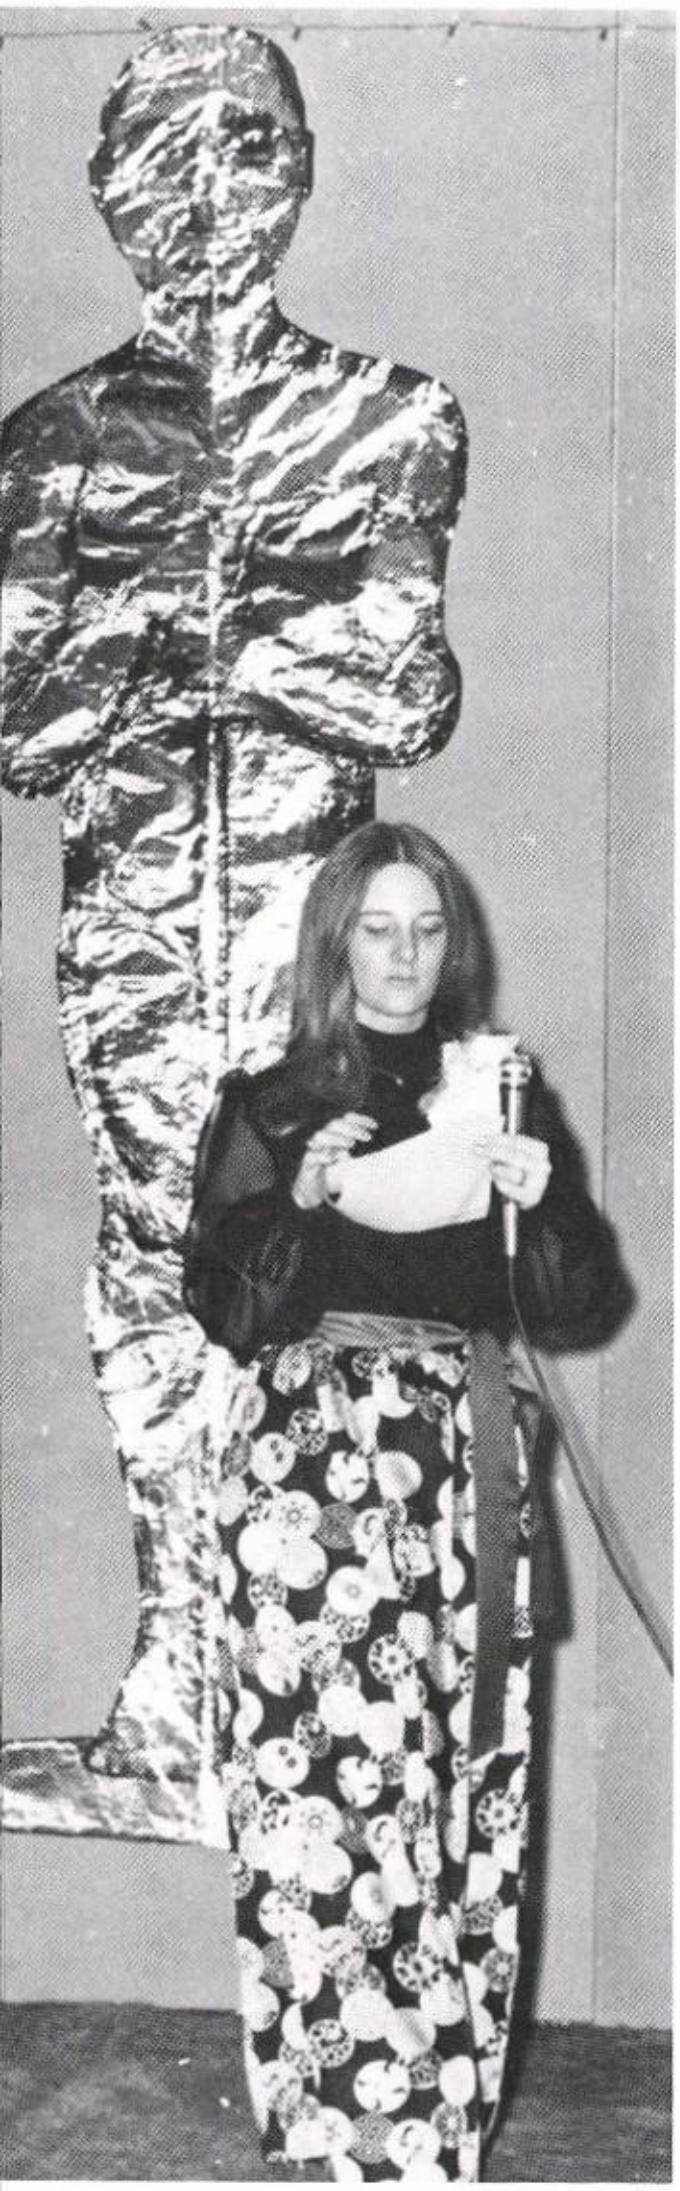
"I'm afraid all the corner tables in the back are taken up."



"Saturday Night at the Movies," was the theme of the second annual Celebrity Ball.

1973 rolled into North Garland with the Raider Celebrity Ball and "Saturday Night at the Movies." The Marauder staff put in many extra hours to prepare Oscars, bows, and hundreds of candles. An extra feature was added this year with the award of the first Mr. and Miss North Garland. All the hard work was worth it, for the 1973 Raider Celebrity Ball was not only a release from exam tension, but a huge success as well.

Another first — Mr. and Miss NGHS, Mike Rankin and Debbie Thompson.

North Garland faculty provided chaperones, as they too enjoyed the dance.

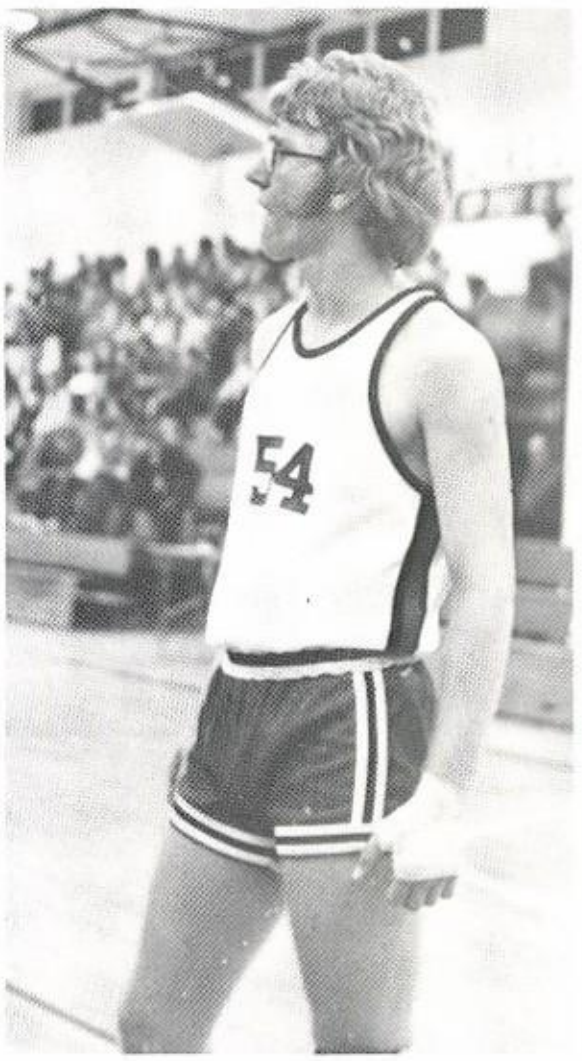
Well team, let's hope the Coach has another one of his bright ideas!



I'm *not* gonna say it.

Basketball fans support their Raiders all the way, all the time.

The Booster Club had several money-making projects during the month of January. A chili supper before the Gainesville game, as well as a victory dance afterwards, added pleasure for the students, support to the team, and money for the club. The Band also lended their support by playing at one of the home basketball games.

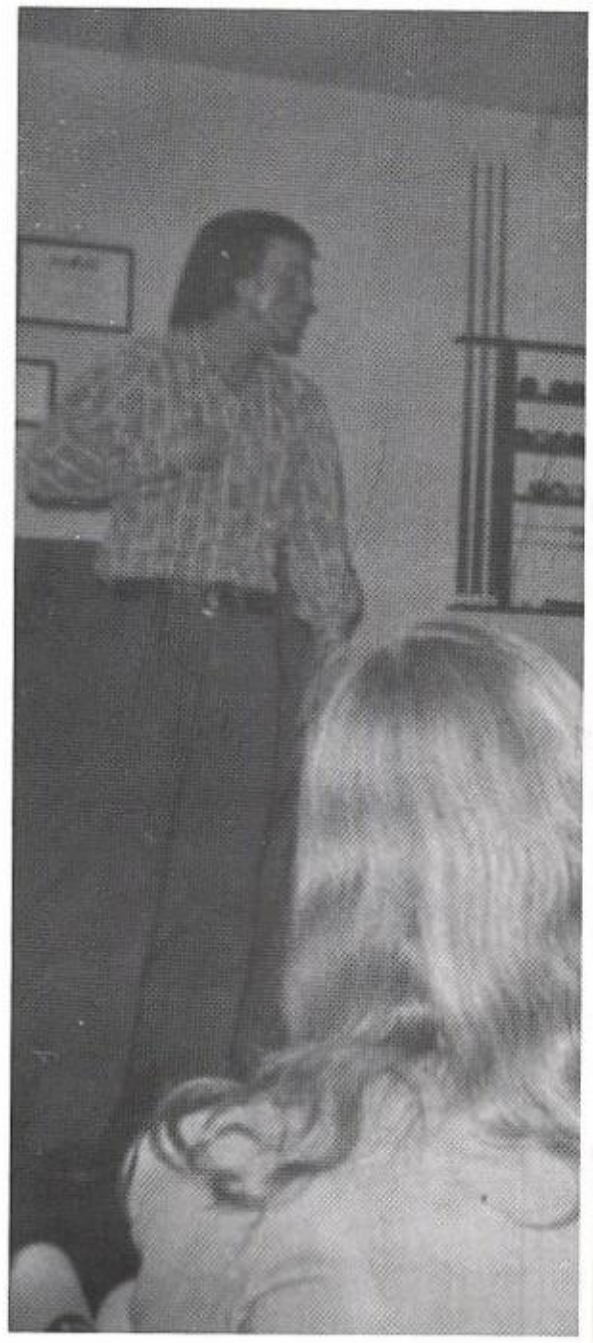
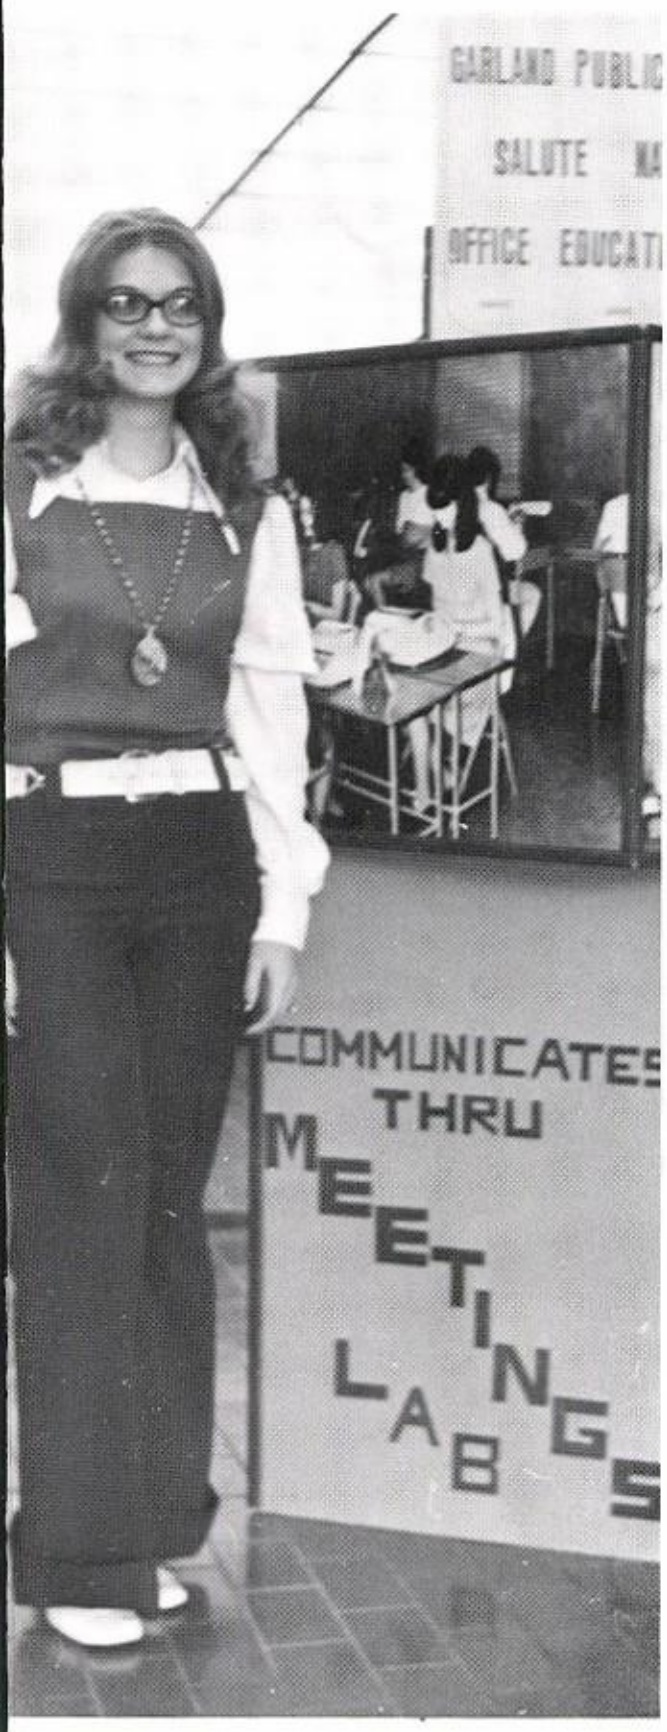
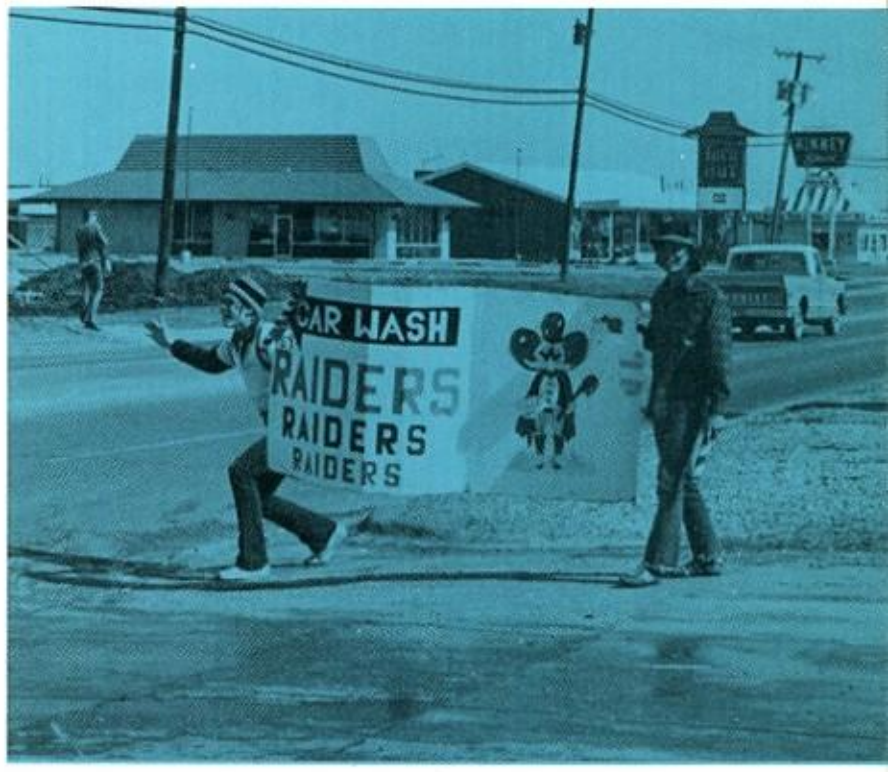
WHERE CUSTOMER IS KING

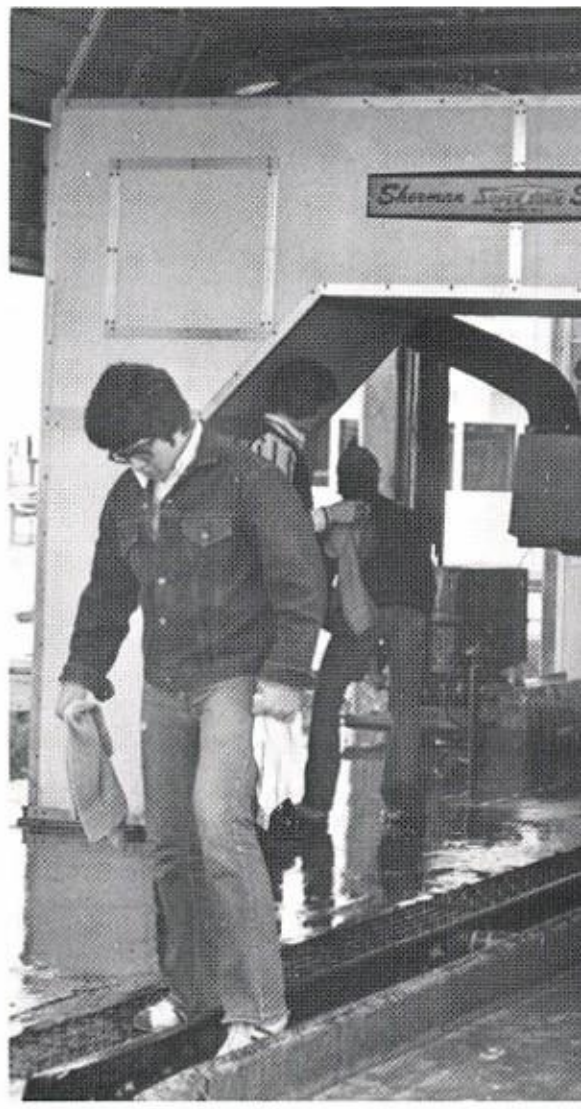


Student Council key chains, OEA week, young life meetings and the Booster Club car wash were activities which filled the early February calendar. North Garland athletes used their "muscle power" to give customers their money's worth.

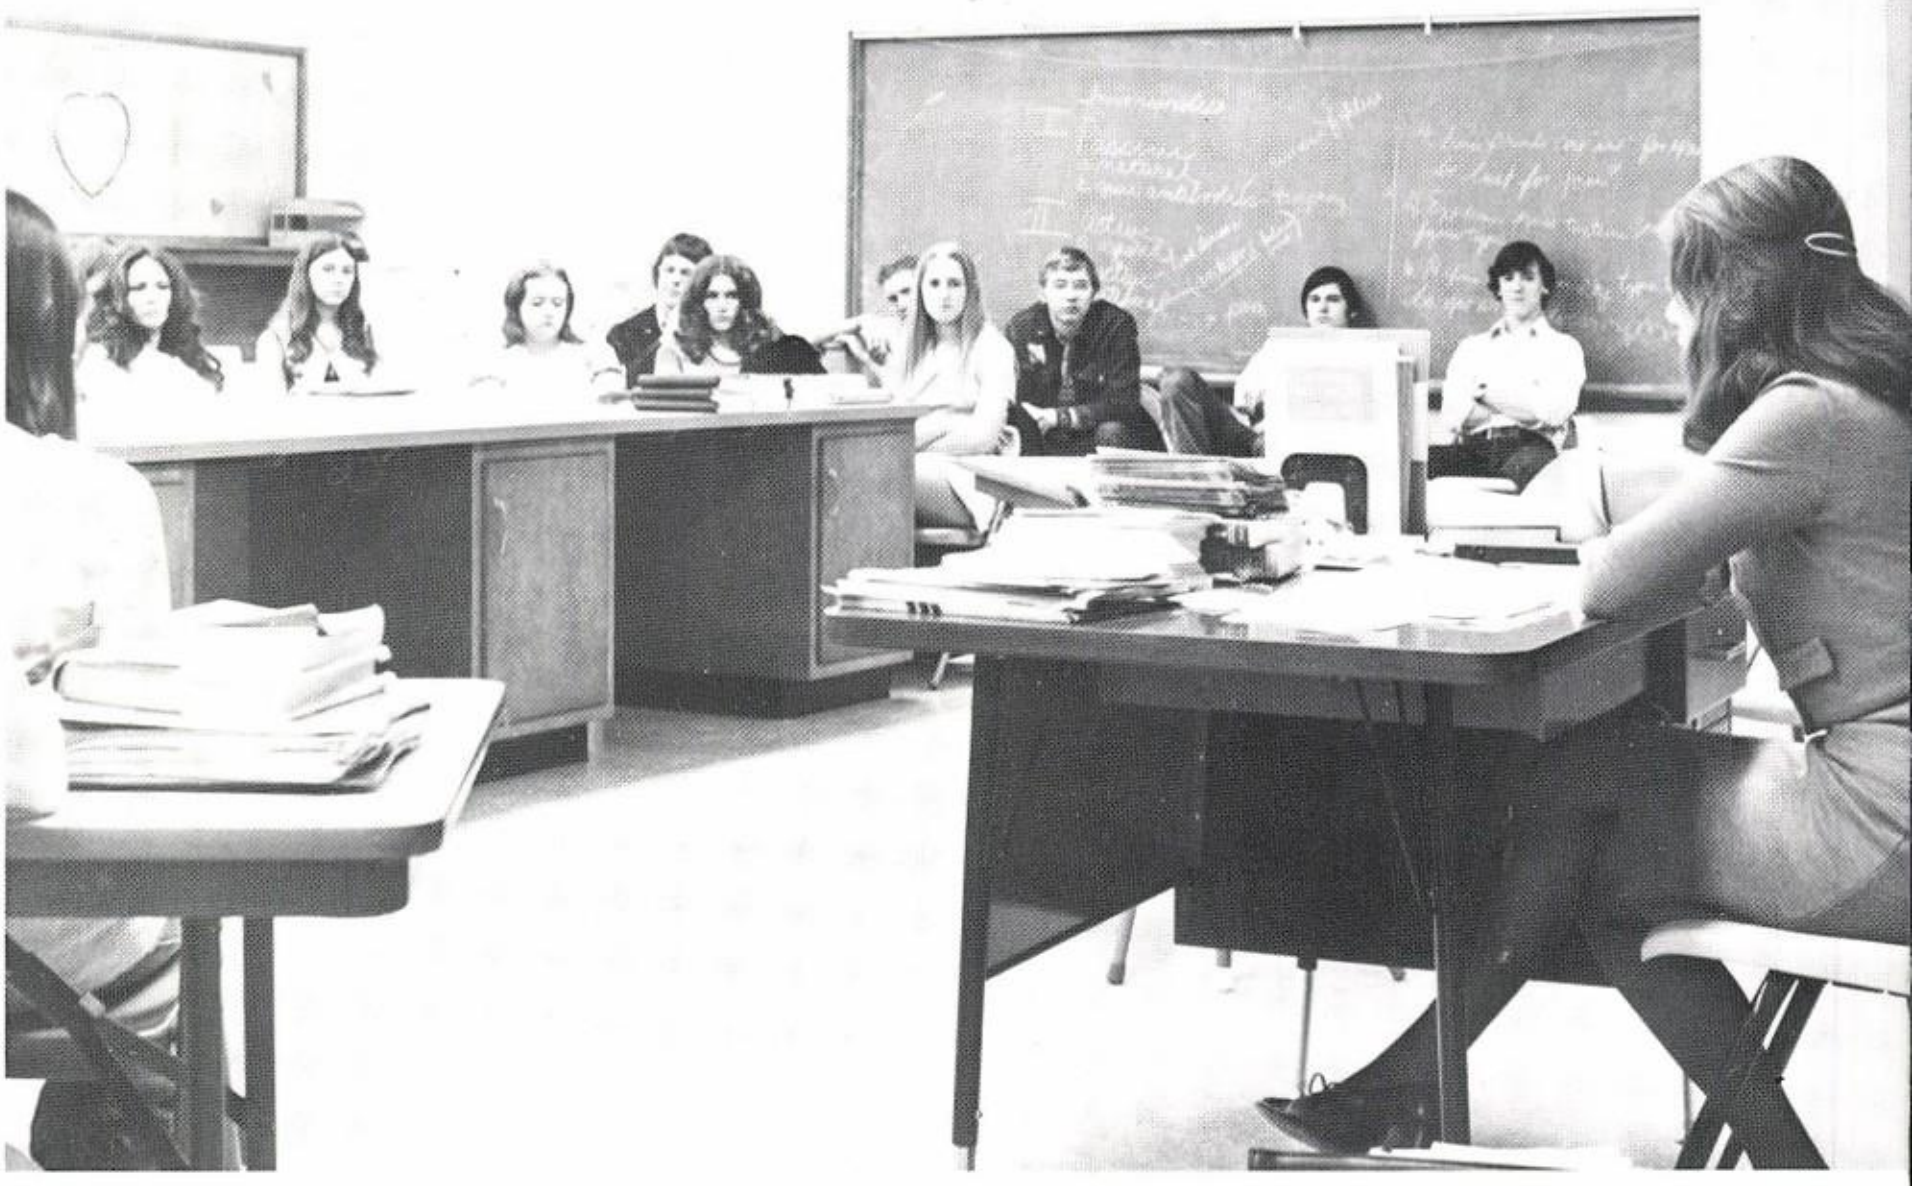




"Dale, don't ask *me* why you didn't get any flowers!"



I always wondered how that thing worked.



OEA week featured a guest speaker.

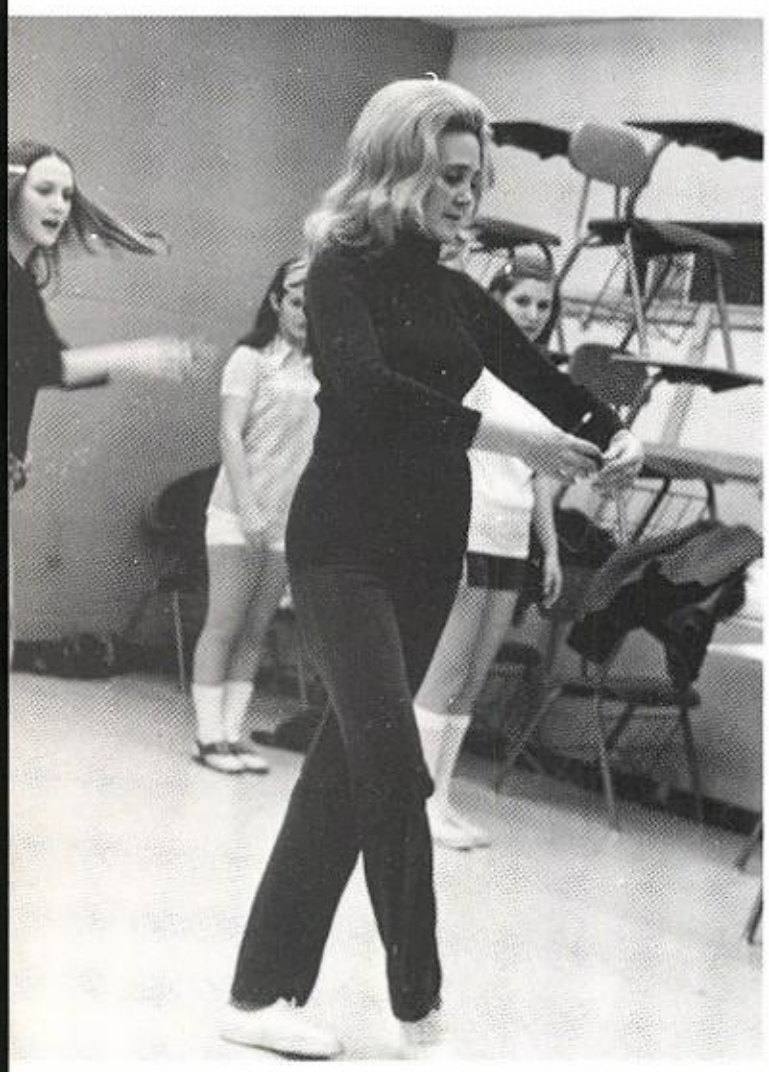
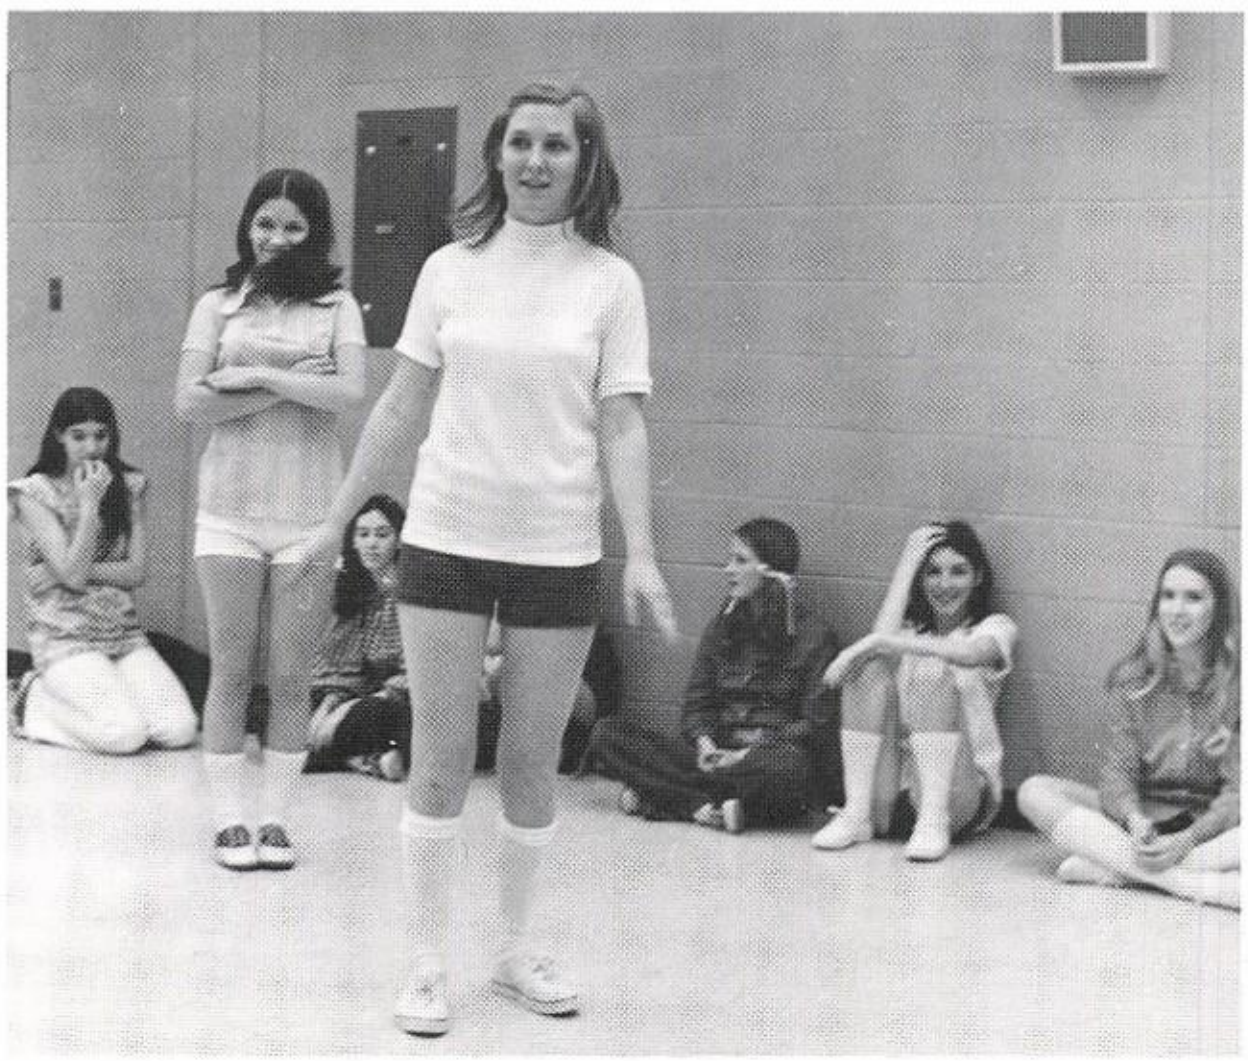
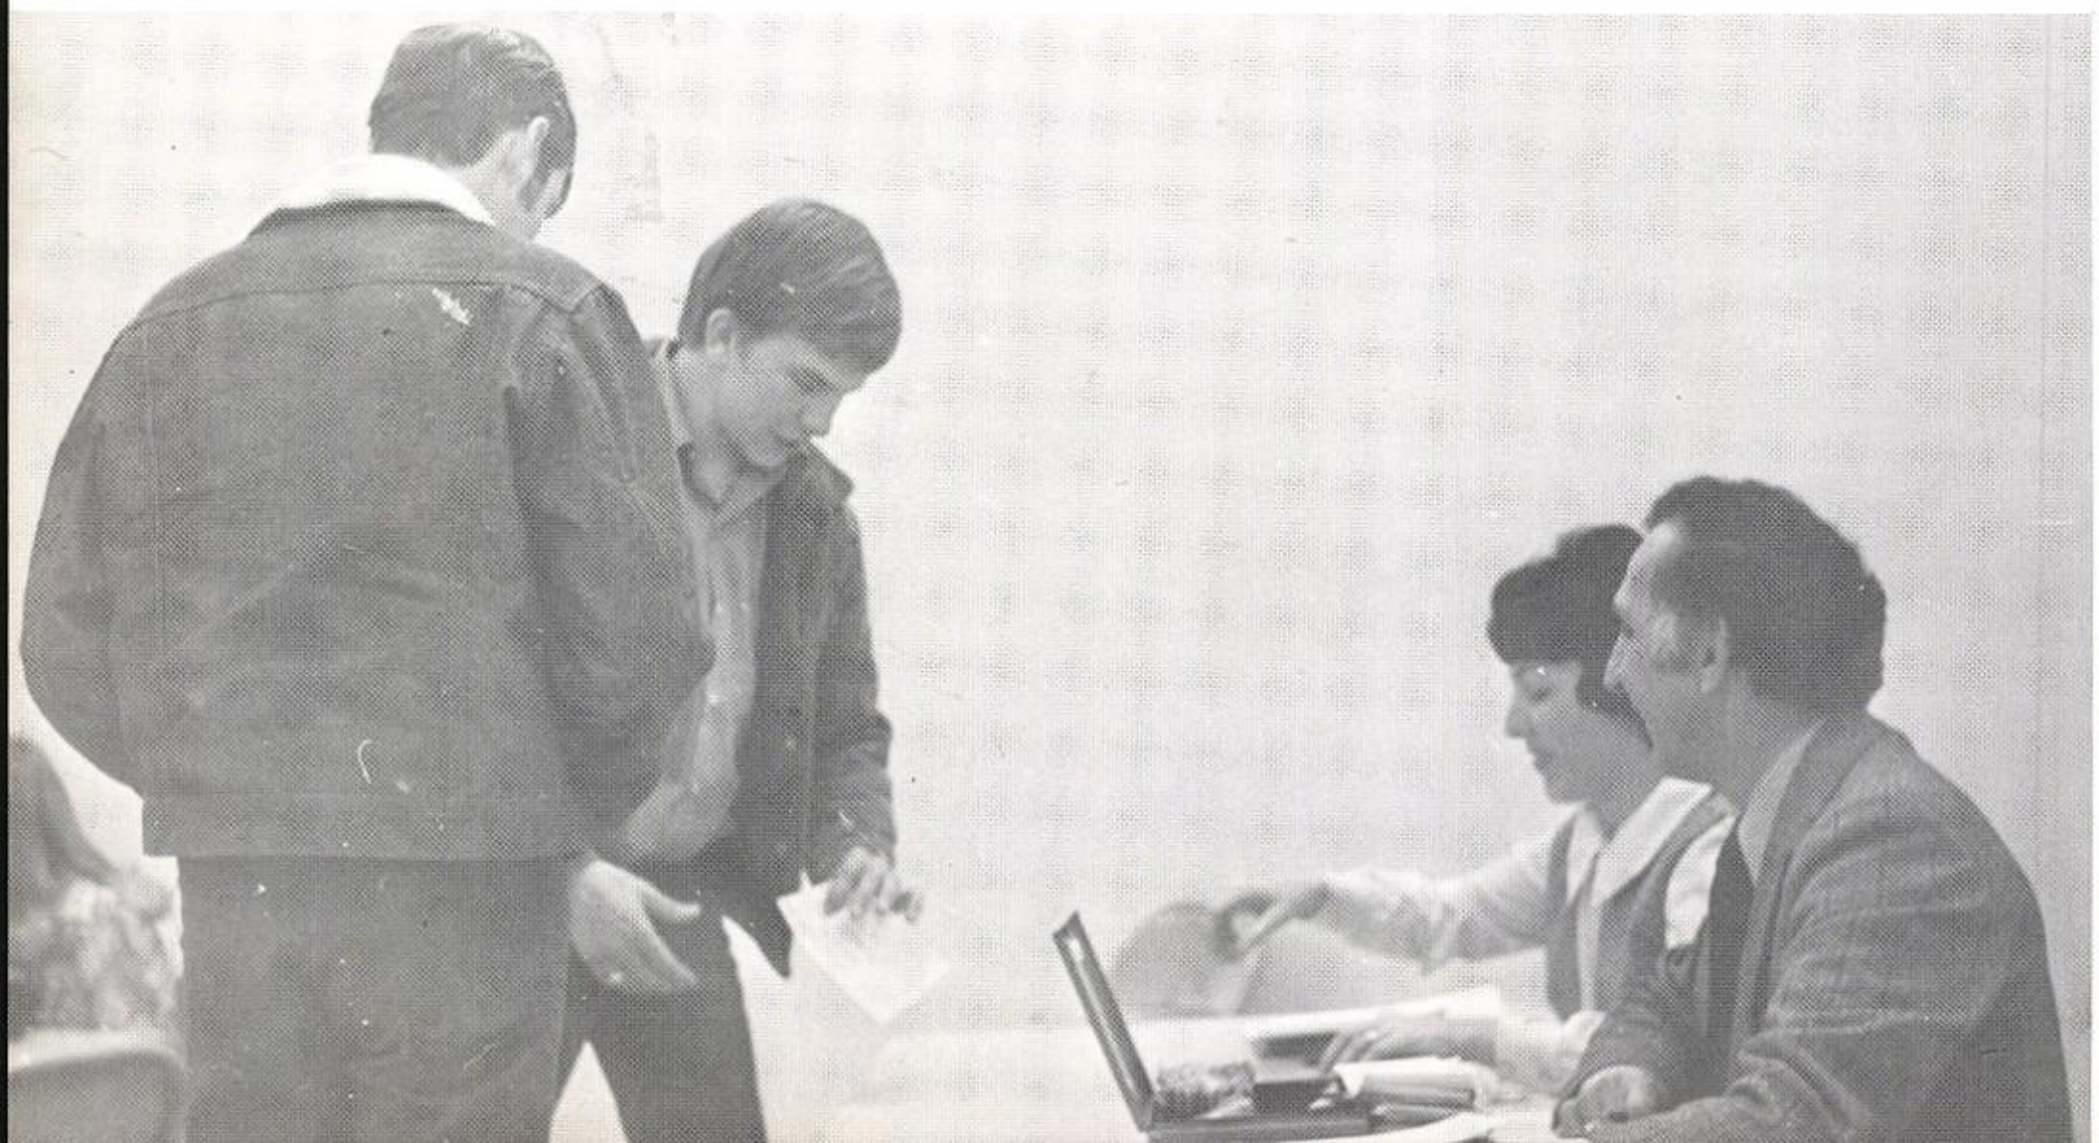
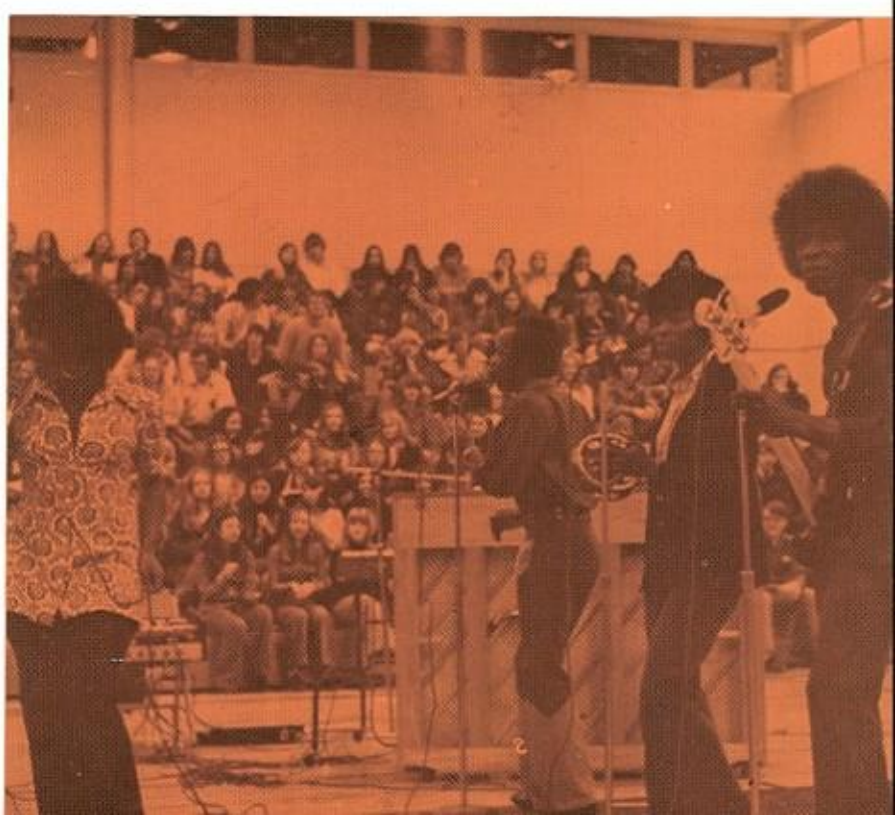
THE MASS







Preparations for North Garland's first graduation were apparent as the seniors ordered their caps and gowns. The concluding activity of February was the auditions for "Li'l Abner," North Garland's first attempt at a musical comedy. The McCrary rock group provided entertainment to ease "end of six-weeks" tension.



The McCrarys proved that they've got SOUL!

The last activities of February included preparations for the Senior-Faculty game. Seniors went to the Community Center and faculty drill team went to the cafeteria to practice their "stunts" for the game. Mam'selles busily attended to their male "partners" as part of the preparations for the big game, and unknown to the student body, the Student Council worked on the school's first mascot, to be introduced later in the spring.

You to the left and I to the right,
For the ways of men must sever —
And it well may be for a day and a night,
And it well may be forever.
But whether we meet or whether we part
(For our ways are past our knowing),
A pledge from the heart to its fellow heart
On the ways we all are going!
Here's luck!
For we know not where we are going.

Whether we win or whether we lose
With the hands that life is dealing,
It is not we nor the ways we choose
But the fall of the cards that's sealing.
There's a fate in love and a fate in fight,
And the best of us all go under —
And whether we're wrong or whether we're right,
We win, sometimes, to our wonder.
Here's luck!
That we may not yet go under!

Crossroads

With a steady swing and an open brow
We have tramped the ways together,
But we're clasping hands at the crossroads now
In the Fiend's own night for weather;
And whether we bleed or whether we smile
In the leagues that lie before us
The ways of life are many a mile
And the dark of Fate is o'er us.
Here's luck!
And a cheer for the dark before us!

You to the left and I to the right,
For the ways of men must sever,
And it well may be for a day and a night
And it well may be forever!
But whether we live or whether we die
(For the end is past our knowing),
Here's two frank hearts and the open sky,
Be a fair or an ill wind blowing!
Here's luck!
In the teeth of all winds blowing.

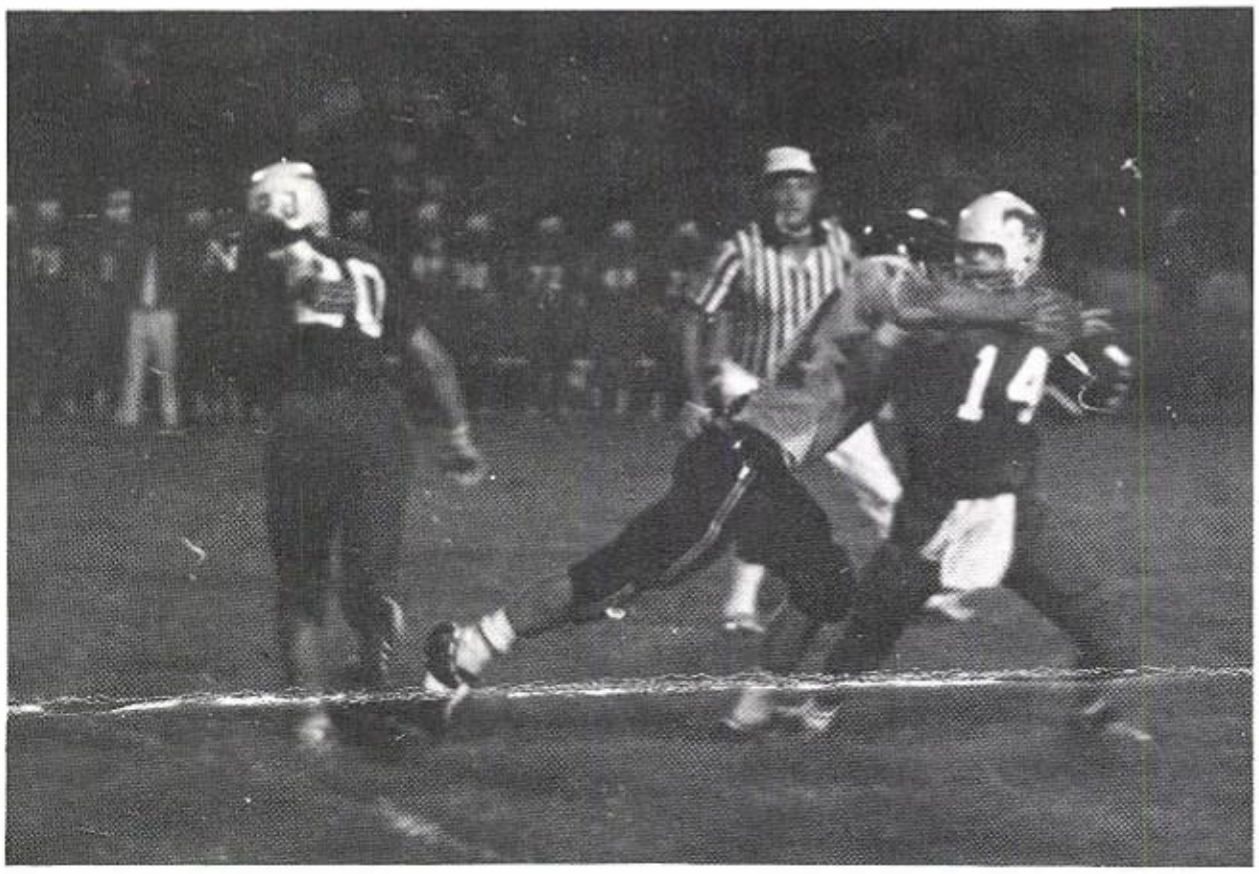
The Raider Varsity had a winning season in '72. This is only the second season for the young team who won five out of ten games putting them in fifth place in district 6-AAA play.

In the season opener, the Raiders faced the Grapevine Mustangs in what proved to be a hard game. Neither team gave up yardage, and neither team could take advantage of the other's mistakes until the closing seconds of the fourth quarter. As the Mustangs were backed up to their own goal, sophomore linebacker Tim Griffin spurted in to block an attempted punt. The ball rolled out of the end zone for a safety and the winning score.

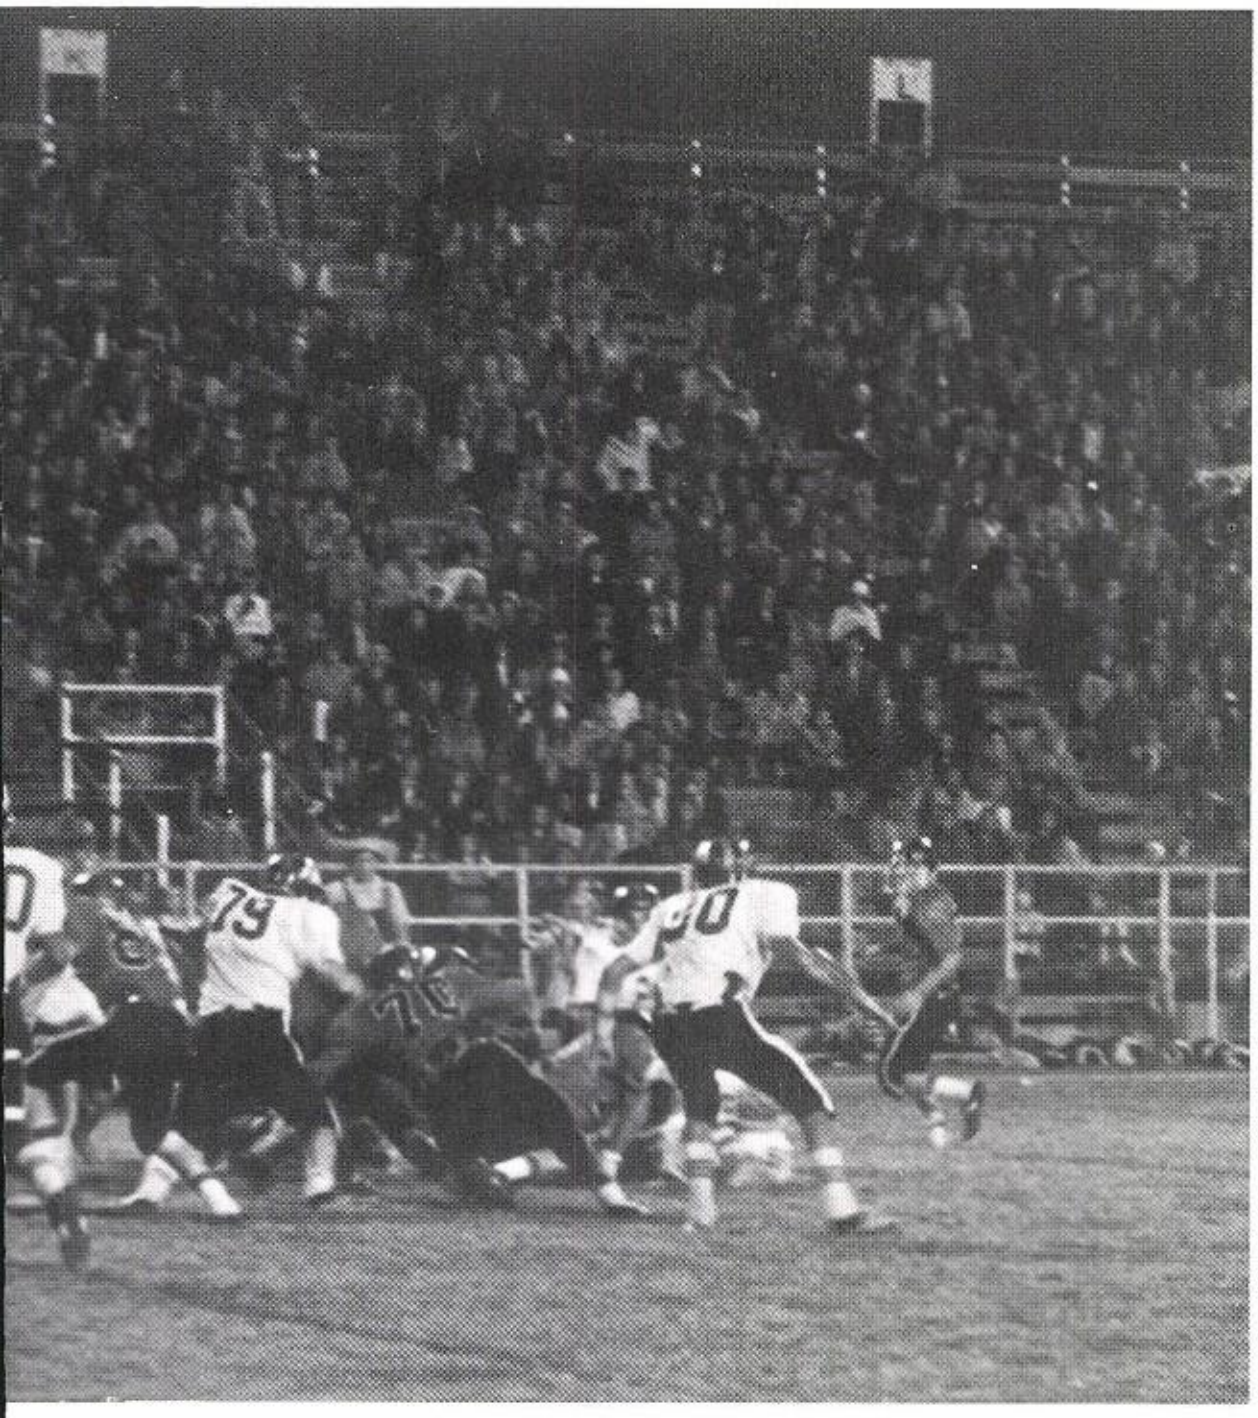
In all, the NG offense racked up 114 yards on the ground for a superb performance, and the defense had a terrific night stopping many Mustang drives.

As the final seconds on the clock ticked away, the jubilant Raiders headed for the dressing room with their first win under their belts. Final score, 2-0.



A quick Raider sacks a Mustang quarterback.

A very hazardous reception.



The following week, North Garland continued their winning ways by defeating the Adamson Leopards, 7-6. The Raider defense seemed to be the contributing factor in the game. They held the Leopards to only one touchdown during the entire game, in the process causing six fumbles, four of which the Raiders recovered.

The offense played equally well. The winning score came as Billy Adams threw a 27 yard pass to Ken Buchheit for the score late in the third quarter.

NG's winning streak came to an end as they were beaten by the Trinity Trojans by a score of 26-0. As always, the Red and Black never gave up hope even though they could only manage seven first downs and 131 total yards. This disappointing defeat was the first of the season for the young Varsity team.

North Garland had another disappointing week as they dropped one to the Gainesville Leopards. The Raiders' lone score came on a one yard leap by Tim Griffin capping a 51 yard drive in 15 plays.

But the lead was short-lived as the Leopards came on strong with an 85 yard kickoff return for a TD. The Raiders tried to muster a comeback but could not overcome the powerful Leopards. Final score, 7-42.

The following three games brought back bitter memories of last year as the Raiders went down to McKinney, Lewisville and South Grand Prairie.

The McKinney Lions proved to be tough competition for the Raiders as they beat our team 51-7. The Lions, ranked sixth in the state, completely dominated the game in rushing and passing. They gained 405 yards passing while the Raiders only had 14.

The Lions were not giving up anything to the Raiders. They scored 30 points in the first quarter while NG's offense could not get anything moving.

However, the Raiders' fighting spirit still showed through as Billy Hooks ripped upfield on the kickoff return for a 40 yard runback. Two plays later Hooks did it again as he went 53 yards for the Raiders' lone touchdown.

In the second half the Lions scored 21 more points.

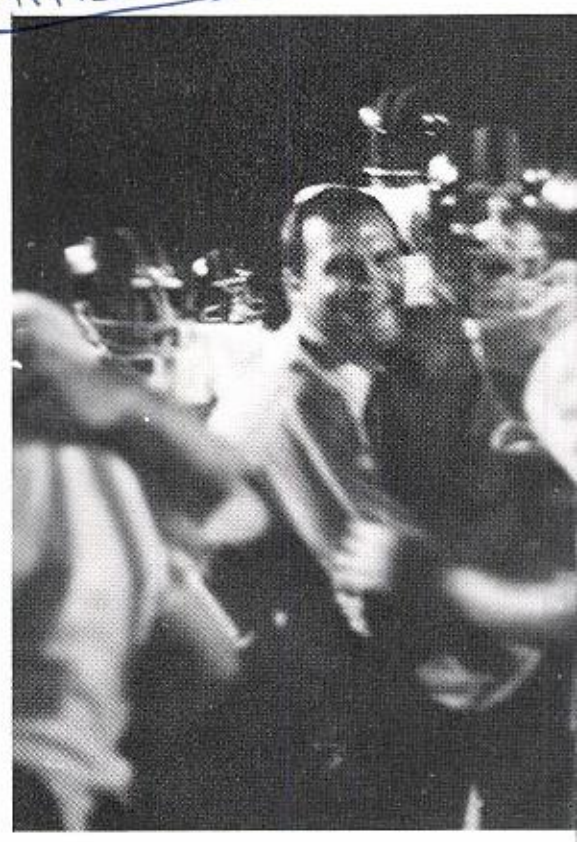
RAIDERS

A proud Raider.



Victory!

The following week the Raiders went down to the Lewisville Farmers 49-14, a very impressive show against the number two ranked team in the state. This loss put the Raiders at 0-3 for district play.

The Raiders scored two touchdowns in the first half but could not score anything during the second half of play. Billy Hooks had his best night rushing for the Raiders as he gained 137 yards in 27 attempts. Hooks scored the first touchdown of the game with a one yard plunge and then followed by kicking the extra point.

The second touchdown came when Tim Griffin scored from one yard out, bringing the Raiders' score to 14 points. These two touchdowns concluded the Raiders scoring that night.

The last loss of the season came when the South Grand Prairie Warriors beat the Raiders 7-0. This night was highlighted by the supreme efforts of the defense as they only let the Warriors score once. However, the Raider offense could not move against the stiff Warrior defense.

With only three games to play, the mighty Raiders went into the home stretch determined to resume their winning ways. And they did.

On a cold Saturday night, NG faced their arch-rivals, the Berkner Rams. The game started out slowly with both teams making mistakes, but neither team could capitalize on the mistakes of the other.

North Garland drew first blood as Billy Hooks scored on a six yard run. But, mid-way through the third quarter, Berkner tied it up, 6-6.

After a give-and-take battle for most of the final quarter, injured quarterback Billy Adams came into the game to toss an eight yard pass to Steve Himmelreich for the score and the game. Billy Hooks tacked on the extra point, and the score was 13-6 with 39 seconds left in the game. Berkner fought hard to quickly regain the lead, but NG held firm to win. Final score, 13-6.

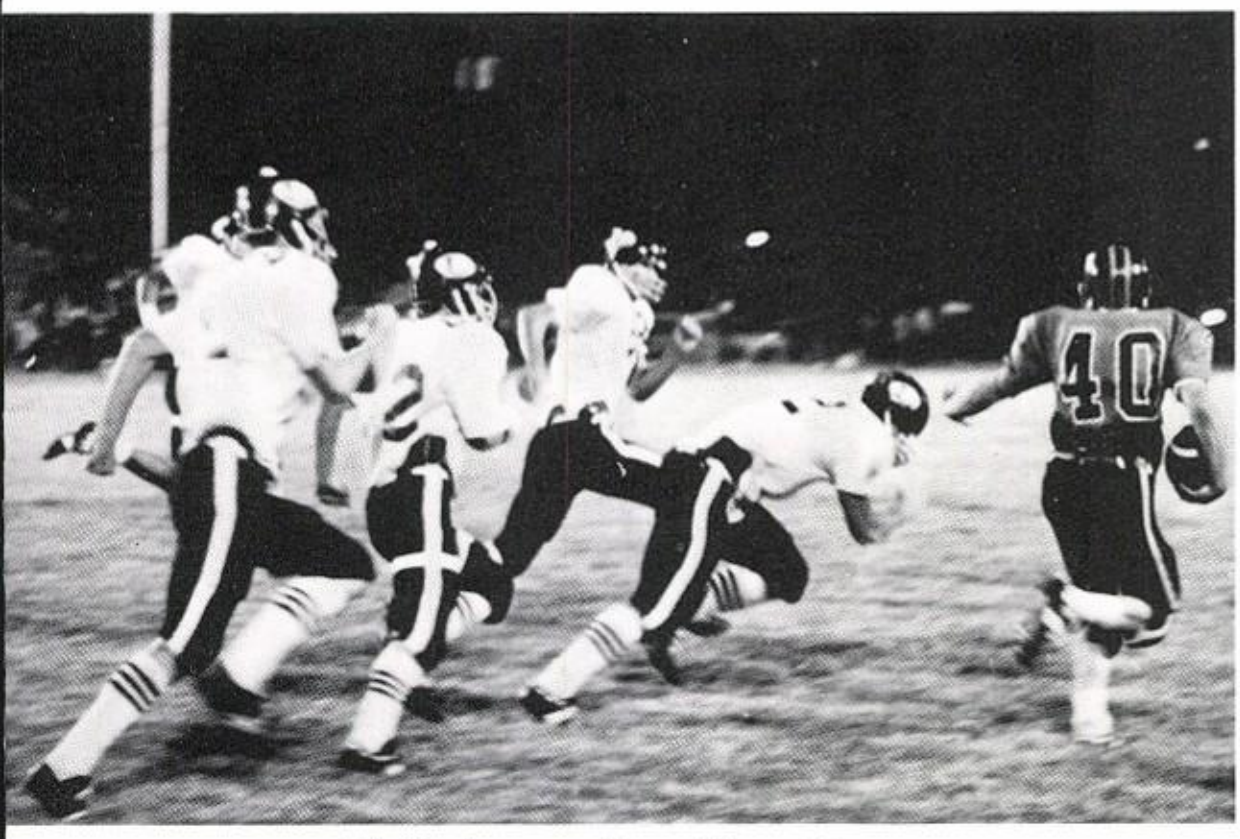
Following the Berkner win, the Raiders faced the DeSoto Eagles in the most exciting game of the season. NG was at its finest.

At first, things went bad for North Garland as DeSoto scored six on the second play of the game. But NG fans soon rejoiced as Billy Hooks took the following kickoff 71 yards to the DeSoto 20 yard line. Three plays later, Billy Adams threw a pass to Steve Himmelreich to put the Raiders back in the game.

After that, the Raiders really performed with brilliant defensive plays. DeSoto was crushed as they tried to get around linebacker Wayne Scruggs.

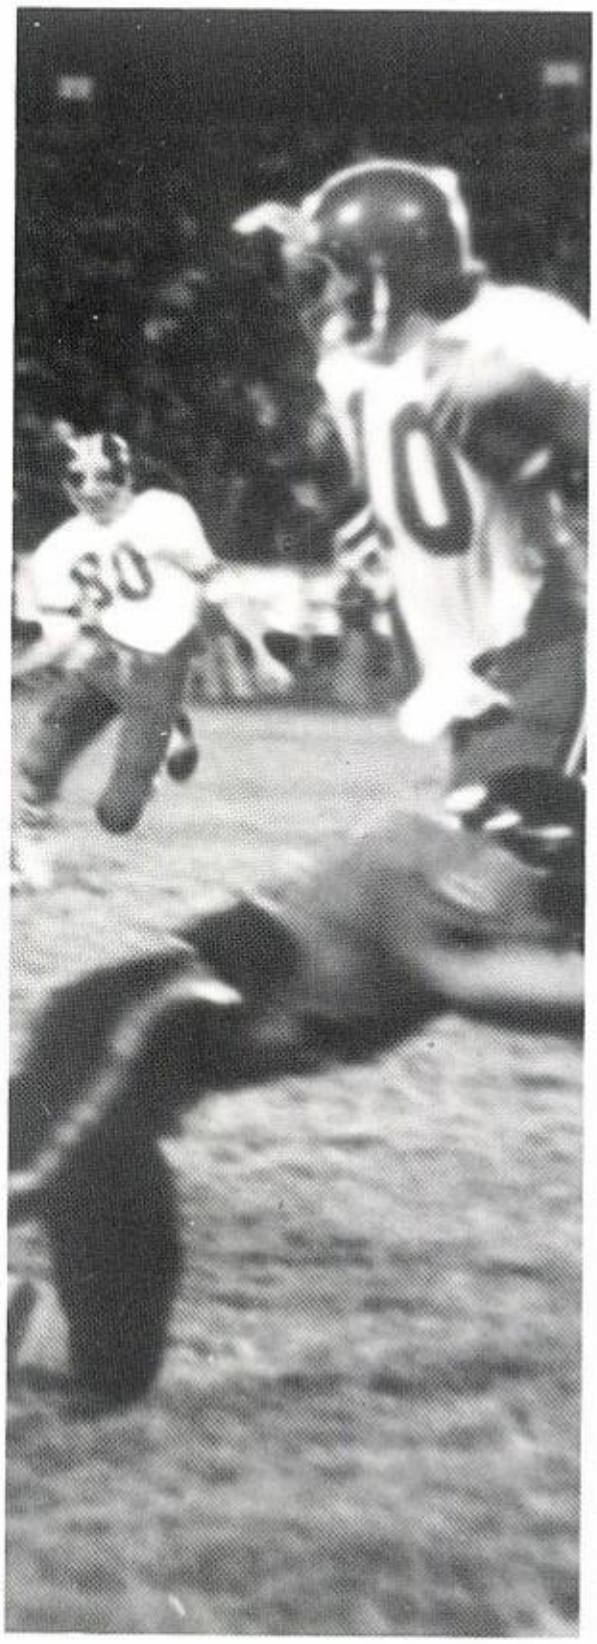
After halftime, NG came out smokin'. Following a 41 yard kickoff return by Billy Hooks, Himmelreich ran 28 yards to score again. After a two point conversion the score was 14-7. Billy Hooks tacked on another seven points with an eight yard plunge.

In the final quarter, NG was rolling along with a fantastic defense and a crushing offense. North Garland scored again as Hooks ran five yards up the middle. As the gun sounded, the Raiders marched off the field with the look of confidence. Final score, Raiders 28-DeSoto 7.

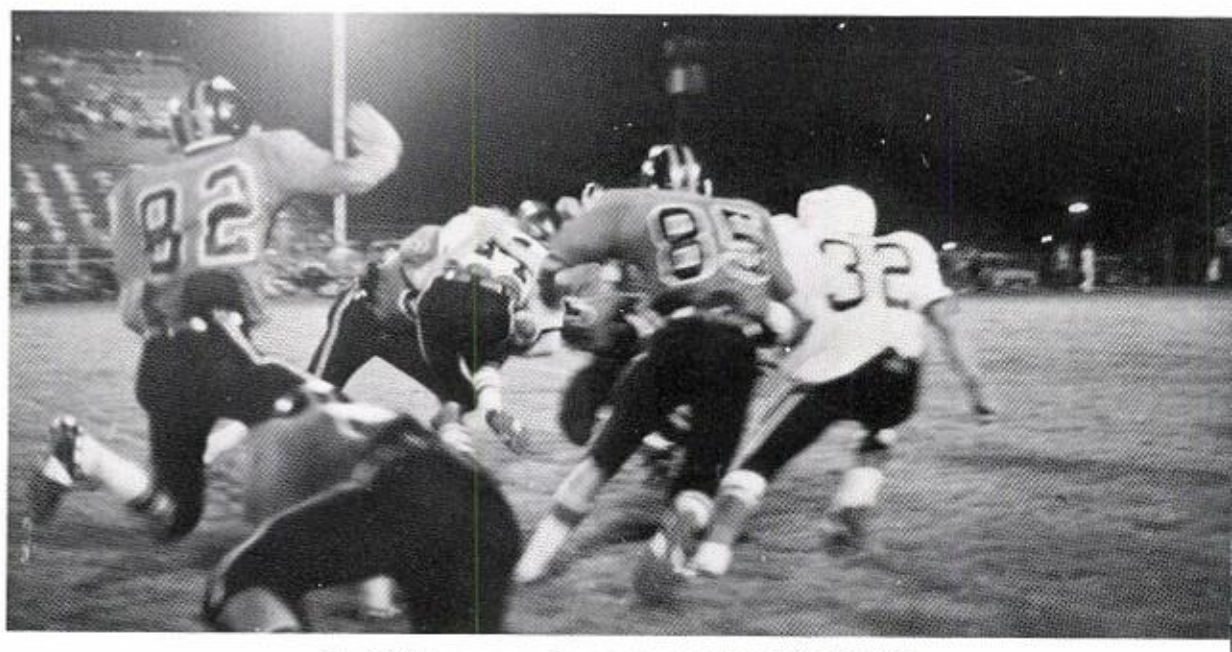


Billy Hooks outruns his would-be tacklers.

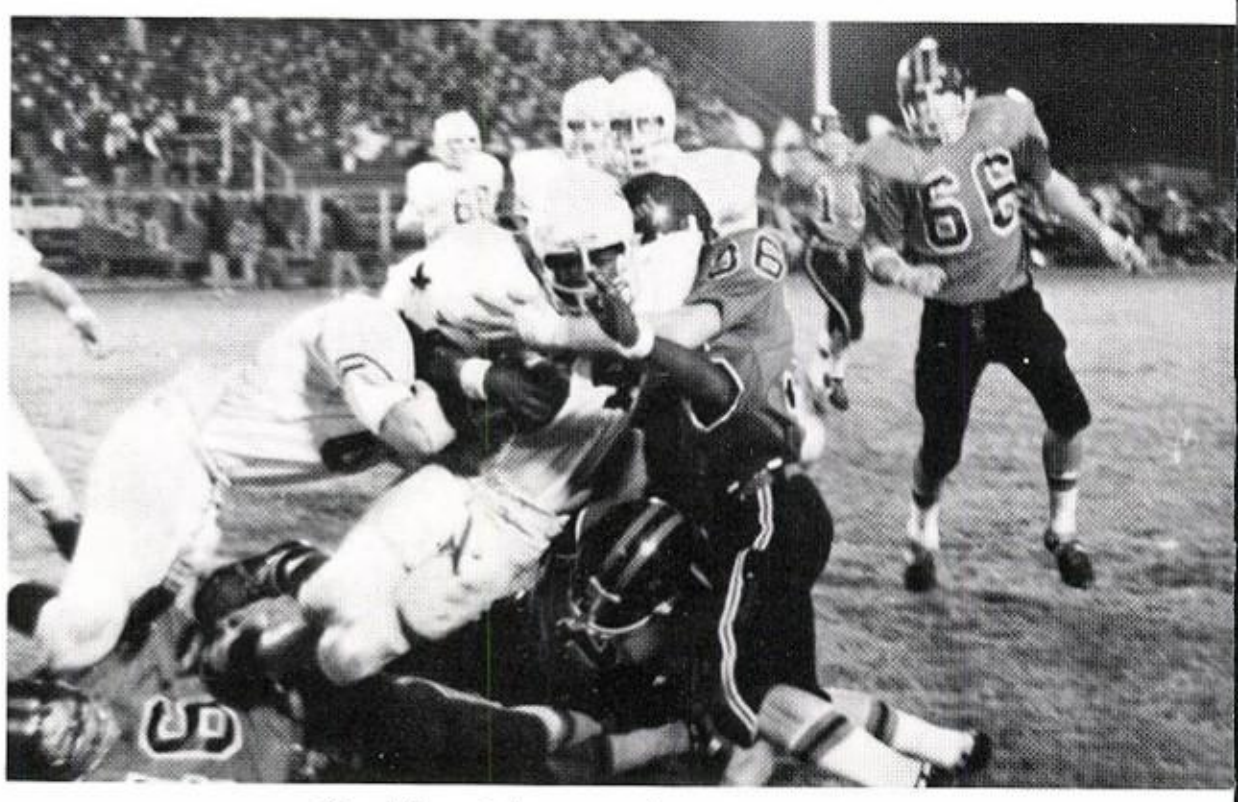
Coach Beavers talks over defensive strategy.



An abrupt stop with a knee-high tackle.



The Raiders move in on an unsuspecting victim.

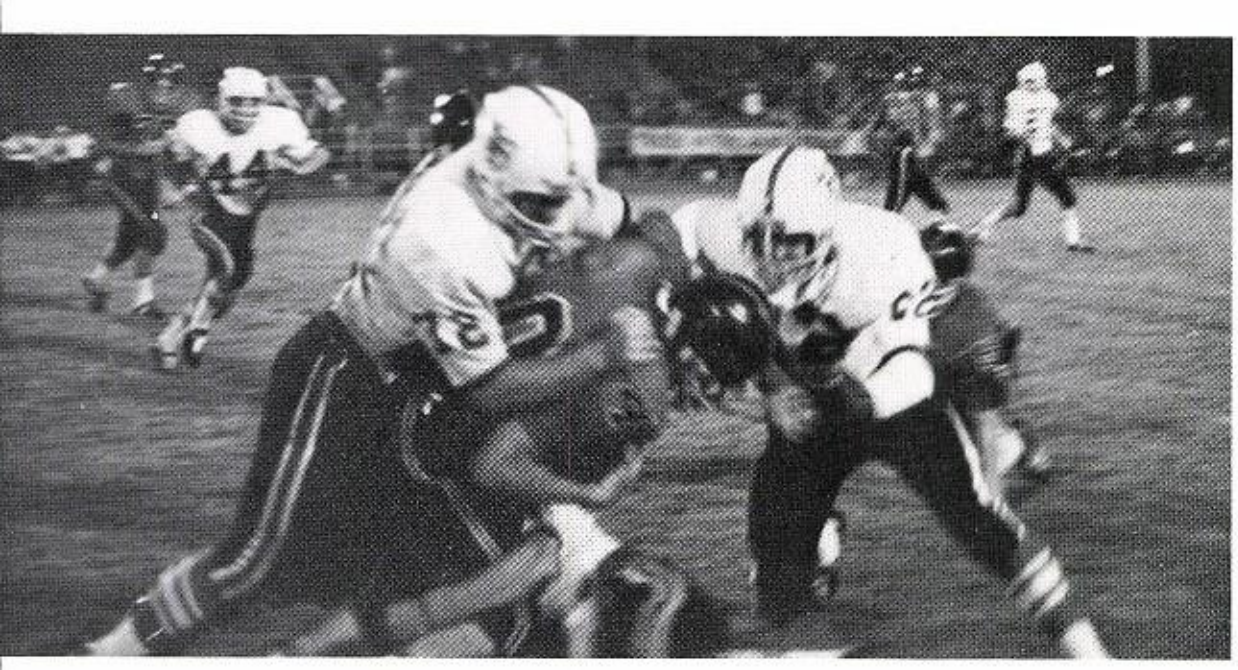


The defense takes care of an attempted gain.

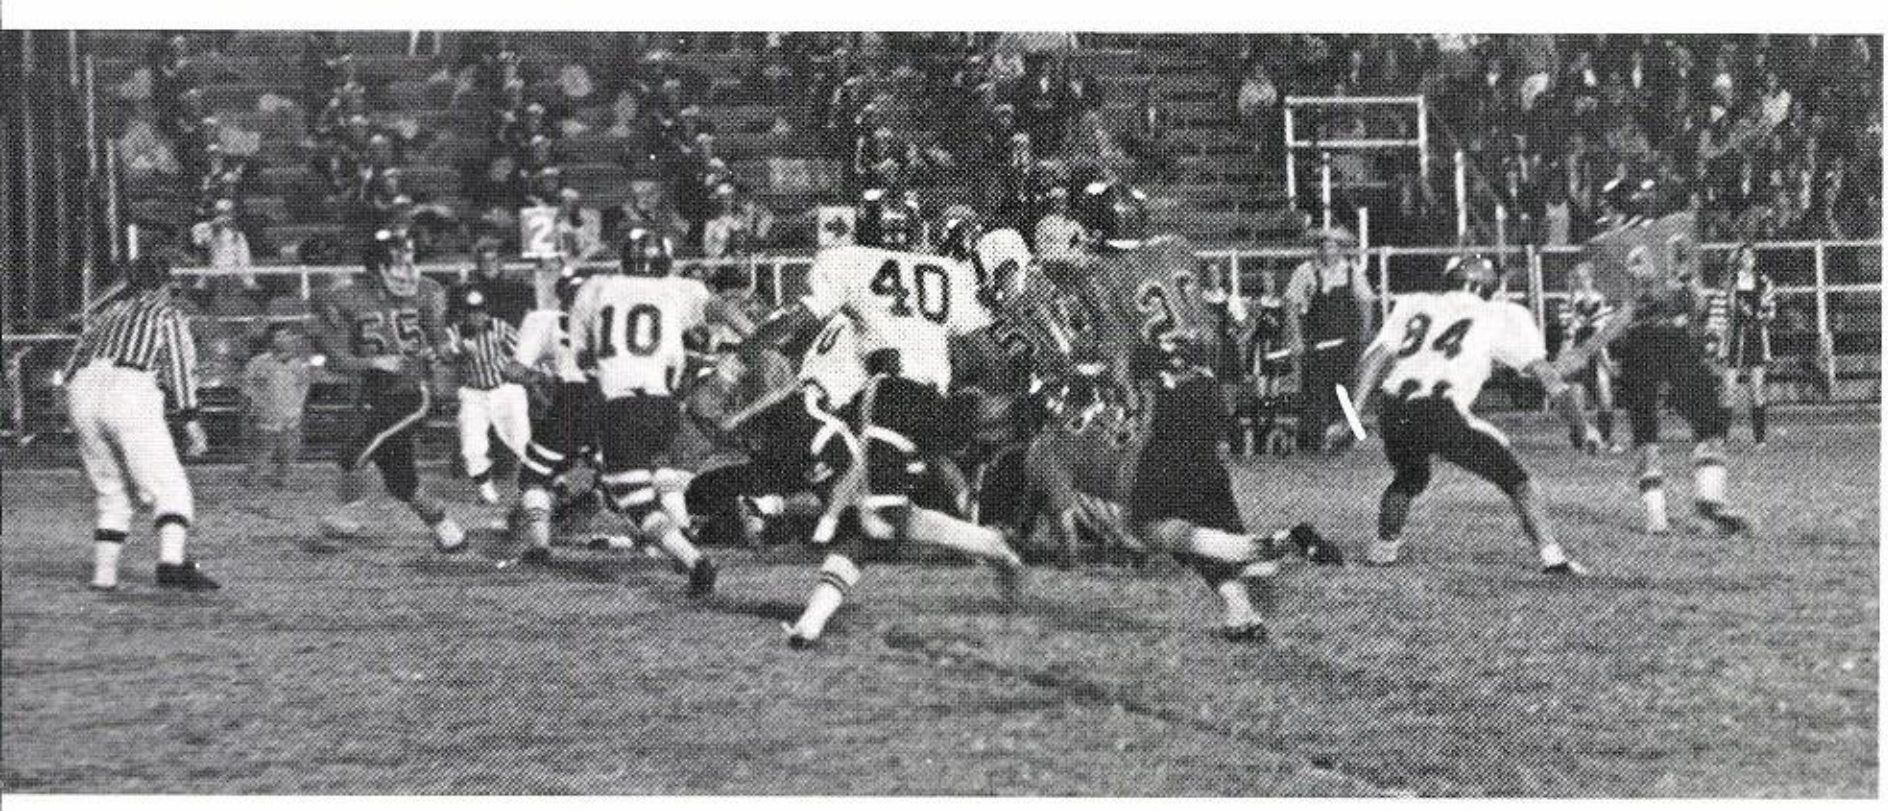
After the Raiders won two straight games, they were not looking to be disappointed in their season finale with the Bonham Warriors in Bonham. They spent the evening handing the ball back and forth on fumbles and punts before the Raiders won, 7-0.

The only score in the game came after Bonham fumbled a punt reception at its own 37 yard line. The Raiders moved to the one where Steve Himmelreich carried over for the lone touchdown of the game. Billy Hooks booted the extra point.

In statistics, Bonham out-did the Raiders in rushing with 150 yards to the Raiders' 107. The Raiders, however, were outstanding in passing with 143 yards to Bonham's 33.



Three players attempt to stop Himmelreich.



A run up the middle.

The Raiders had a good basketball season with the Varsity winning 19 of 31 games, and the Junior Varsity taking the 6AAA district championship.

To complement the outstanding shooting of Ricky Perry, Mark Miller, and Chuck Cantlon, Coach Leon Kennedy utilized the height and strength of Dale Gerner, Bill Hubbard, Neil Boston, and Terry Lawson to keep the team a constant district threat throughout the season.

Uncanny agility, fine shooting, and flawless rebounding were characteristics of the Raider Varsity and Junior Varsity teams. Dedication and enthusiasm were evident throughout the entire season, but perhaps the most enthusiastic and dedicated men were Coach Kennedy and Coach Joe Garcia. They were certainly active on the bench giving instructions and setting up defenses.

The highlight of the season was both a defensive and an offensive game, as the Berkner Rams invaded the NG gymnasium to attempt to "knock-off" the archrival Raiders. This mid-season clash was important to both teams because they were both high in the standings.

In the early moments of the game, the Rams jumped off to an 8-0 lead, but the Raiders fought back to only a 15-13 deficit at the end of the first period. The tension mounted throughout the game.

As the end of the fourth period neared, the Raiders and the Rams were deadlocked at 50-50. In a dramatic finish the Raiders brought the ball down court using as much time as possible. With just seconds left, Mark Miller made a jump shot from the corner to end the game 50-52.

The Raiders finished district play with a 6-6 record.

The 1973 MARAUDER Staff would like to thank all of the following for their help in producing this *yearbook:*

Don Griffin, Eddie Lamm, Pete Lohstreter and Tommy Rhodes for their help with our special photography.

Norman Dowdy, our Taylor Publishing representative, for all of his support, encouragement and understanding when we did not meet a deadline.

Peggy Frye, Florene Gray and Betty Lowrance for their help in producing a successful Celebrity Ball.

Fran Caldwell, Rose Morris and Karen Walker for the frequent use of their livingroom.

Neil Chamberlain for the continual use of his telephone.

Mr. Vaughn and the rest of the maintenance staff for overlooking the mess.

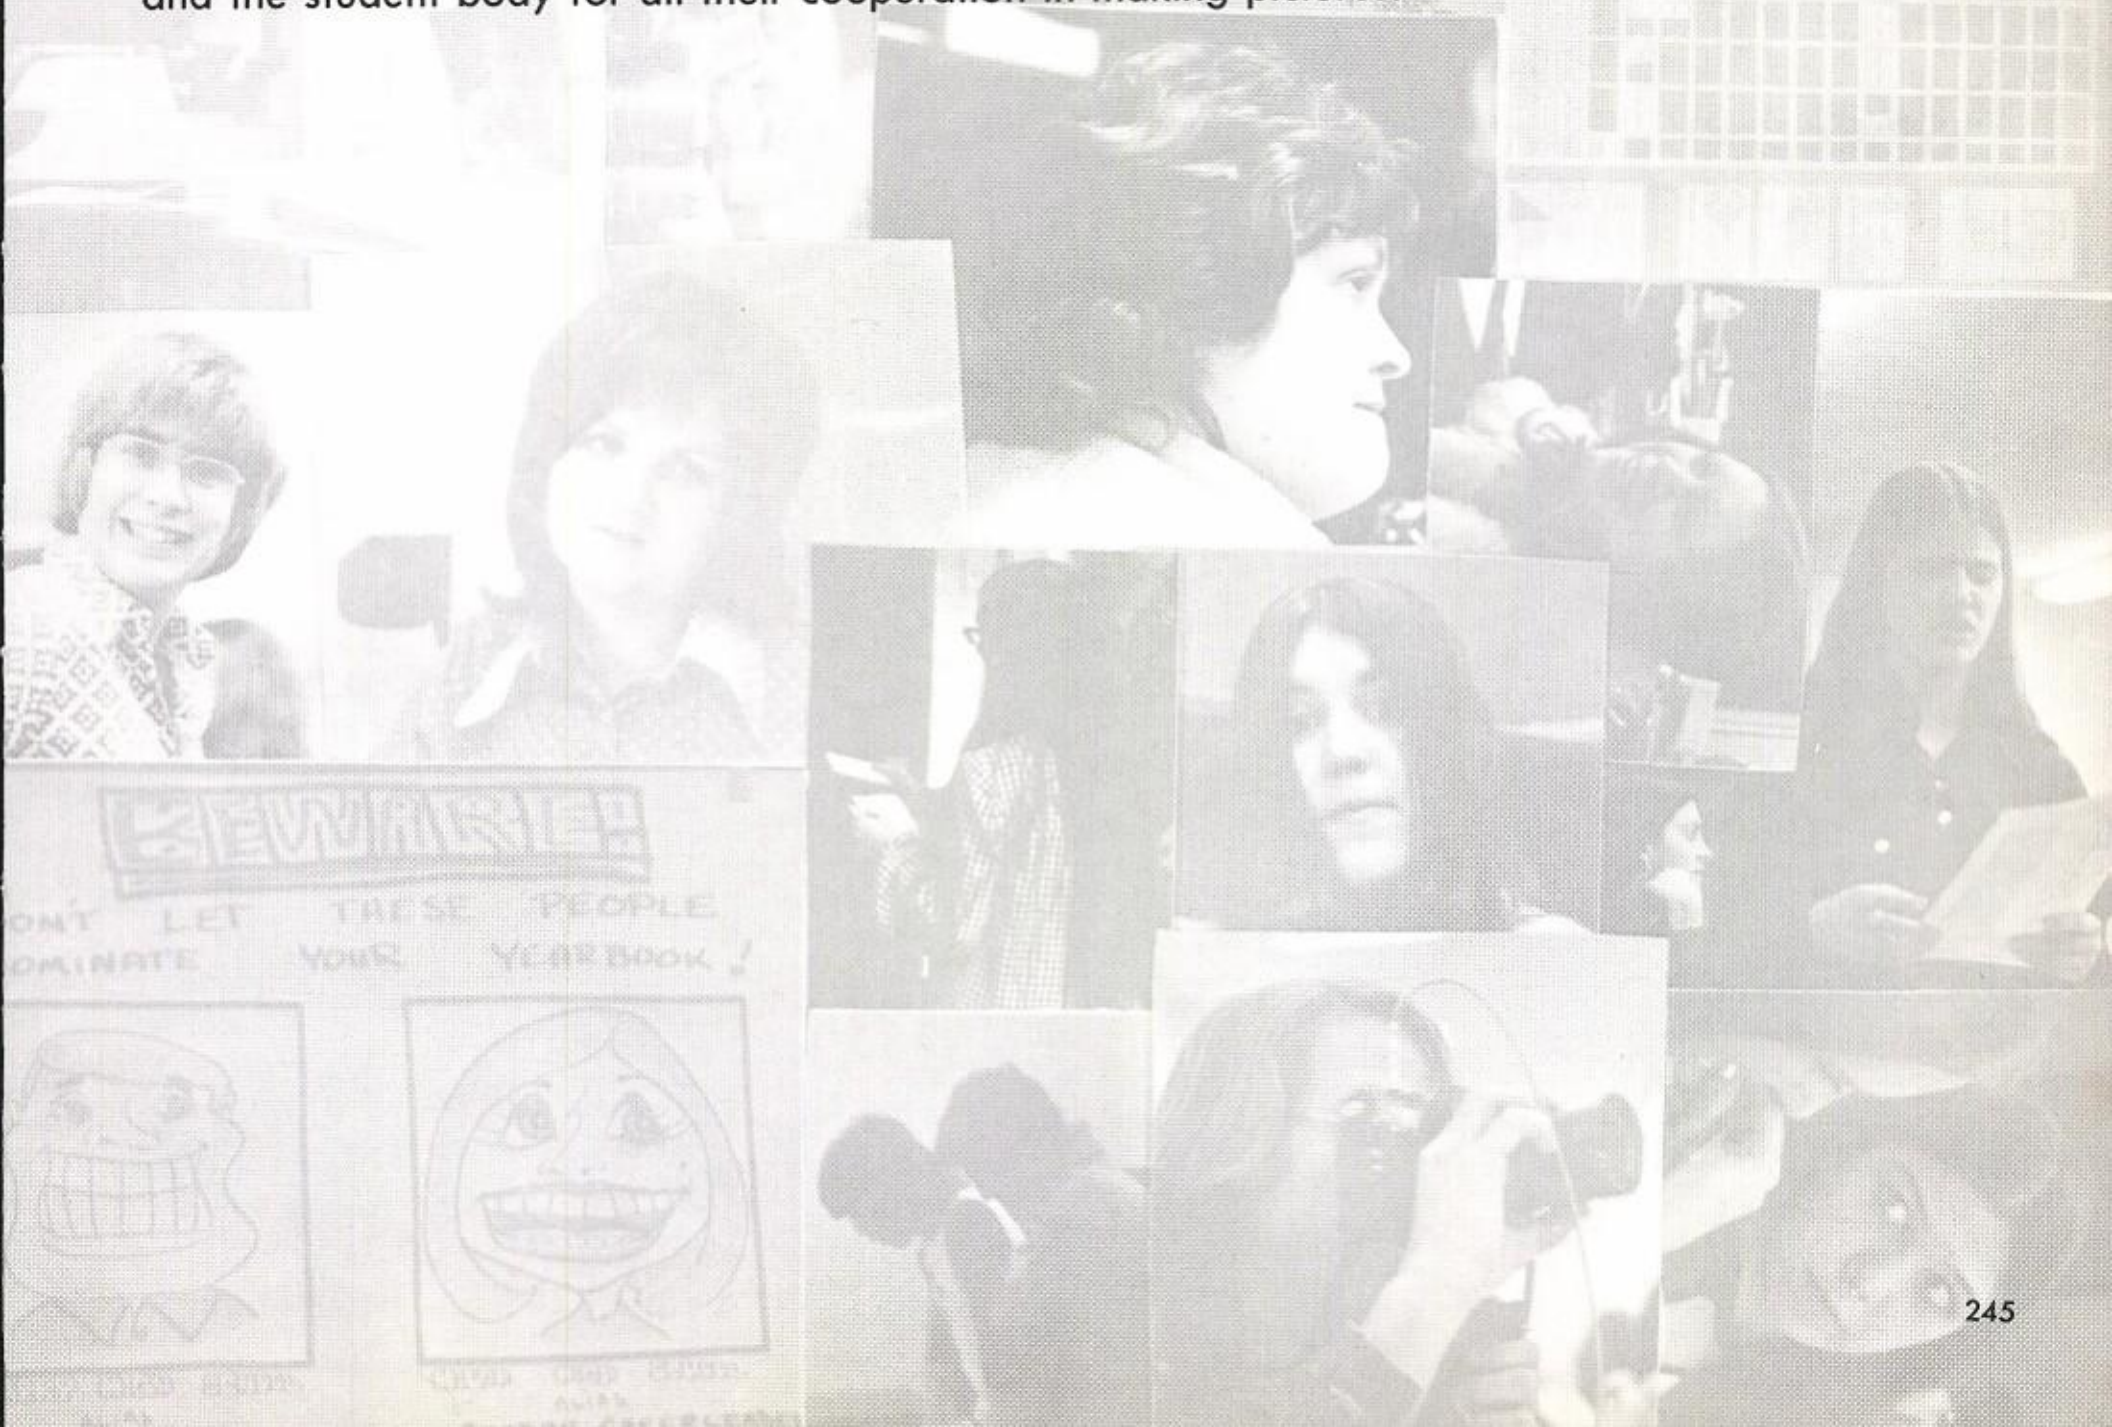
Gene Hudson, Pat Chumley and Frank Reid for their cooperation and support.

Glenna Newkirk and Romayne Yeager, our advisors, for all of their help and encouragement because we never could have made it without them.

Special thanks go to:

The faculty for all their cooperation and, especially, for the many times that they let staff members out of class to work on the book,

and the student body for all their cooperation in making pictures.



The MARAUDER staff has spent a great deal of time and work putting this book together in order to give you a collection of the memories that made up our 1972—73 year at North Garland. However, most of all we hope that we have left an important idea with you — that you are an individual and, as such, you should express your own ideas and beliefs; however, you *must* unite and work together to make this a better place to live.

To the seniors . . . we would like to wish you good fortune and much happiness in the future as you enter the work-day world, but remember, your future depends on you.

To the underclassmen . . . we would like to wish you good luck in the rest of your years here at North Garland. We hope you will not stop at trying to be better than the Class of '73, but will go further and try to be the best. If each of you will do this, then it will not be long before North Garland High School is "No. 1."

To the faculty . . . we would like to express our thanks to you in behalf of the whole student body. We owe you a great deal, as our years in high school are probably the most important in all of our lives. It is during these years that we begin to form the beliefs and ideas that will determine our destinies. You have guided and encouraged us in doing this, but you left the final decisions up to us. You have truly shown us that we are individuals, but that we must also work as a whole.

Jim,
It has been a pleasure having
you in class. You are a very tale
individual. We have enjoyed a
you perform in the band, t
Beginnings, the music
and on the foot
team. Best
for the
Mus

Jim,
You are really a nice guy. I've had a blast sharing 2nd period with you this year. I've been pretty lucky to ~~get~~ be able have you in at least one of my classes this year and last year! Your good looking and you have a terrific BOD! I hope to get to know you better later on. May God Bless you, and you Bless Him!
